Instead of staying home, she's the primary breadwinner while her husband raises their kids. Together, they've weathered miscarriages, job changes, role reversals, community shifts, family vacations, and even youth league recreational soccer. Now, in the midst of their tenth year of marriage, temptations saunter in and threaten to shake everything they've built together to the ground. In *American Honey*, Wells digs in deep to uncover the foundation of what made her and what it is that will help sustain her relationships. What keeps a marriage together? Could it fall apart? Through intimate details, vulnerability, humor, and love, Wells explores the depths of mercy and faith it's going to take to weather the storms of married life.
