**The Ultimate Evidence** - Larry Vern Newman 2009-01-01

It is quite an assertion to claim that one is filled with the Spirit of God. What does a person offer as proof that this is actually true? Pentecostals at the

turn of the twentieth century read the Bible, debated the issue, and then proposed an evidence they thought the scriptures indicated was the primary verification of Spirit-baptism. It was determined that the evidence to prove one had been baptized with the Holy Spirit was that the person had spoken in an unknown language as prompted by the Holy Spirit. The primary evidence of Spirit-baptism, it was concluded, was the expression of a charism. It was charismatic. In *The Ultimate Evidence*, Larry Newman argues that the initial evidence doctrine, as it stands, is inadequate and needs to be revisited and adjusted. Without discrediting or devaluing speaking in tongues, Newman points the reader to the ultimate evidence of Spirit-baptism: the more excellent way.

Gathering from historical, cultural, and biblical sources, Dr. Newman argues that the biblical evidential paradigm is ethical and issues forth from the agape of the Cross. It is the ethical dimension of the Christian life that is primary. In 1 Cor 13:1 Paul wrote: "If I speak in the tongues of men and of angels, but have not love, I am only a resounding gong or a clanging cymbal."

John the Baptist said, "And I knew him not: but he that sent me to baptize with water, the same said unto me, Upon whom you shall see the Spirit descending, and remaining on him, the same is he which baptizes with the Holy Ghost. And I saw, and bare record that this is the Son of God." John 1:32-34 Jesus is the One who baptizes in the Holy Ghost! If you have ever wondered what the scriptures teach concerning this subject, then this book is the book for you! In this book you will learn that there is a difference being born again and being baptized in the Holy Spirit. Jesus said, "He that believe on me, out of his belly shall flow rivers of living water!" The apostle John said (in reference to this statement), "But this spake he of the Spirit that they which believe in Him should receive!" So this experience is for those who believe in Jesus! "The Baptism in the Holy Spirit," by John Woolston is a very balanced teaching that will give you the foundation you need to receive this wonderful experience yourself and equip you to lead others in this experience. **A River Runs Through Me** - W.K. Alsop 2014-10-29

Jesus told His disciples not to leave Jerusalem without the Spirits power. That same power to heal the sick and cast out demons is still relevant and available to every Christian who believes. From his thirty years of experience, W.K. Alsop answers such questions as: Is the baptism in the Holy Spirit with the evidence of speaking in tongues for every believer today? Is there a difference between the Spirits baptism and the gifts of different kinds of tongues, the interpretation of tongues, and prophecy? Why is there so much controversy in the body of Christ over this experience? What are the benefits that come from this experience of the Spirits baptism? What is the power that I should expect to receive from this experience? The Holy Spirit desires to release this spiritual power through you as he did with the believers in the 1st century. Now is the time for you to pick up His mantle and demonstrate the power of the Holy Spirit in the 21st century!

Salvation with a Smile - Phillip Luke Sinitiere 2015-11-13

Joel Osteen, the smiling preacher, has quickly emerged as one of the most recognizable Protestant leaders in the country. His megachurch, the Houston based Lakewood Church, hosts an average of over 40,000 worshipers each week. Osteen is the best-selling author of numerous books, and his sermons and inspirational talks appear regularly on mainstream cable and satellite radio. How did Joel Osteen become Joel Osteen? How did Lakewood become the largest megachurch in the U. S.? *Salvation with a Smile*, the first book devoted to Lakewood Church

and Joel Osteen, offers a critical history of the congregation by linking its origins to post-World War II neopentecostalism, and connecting it to the exceptionally popular prosperity gospel movement and the enduring attraction of televangelism. In this richly documented book, historian Phillip Luke Sinitiere carefully excavates the life and times of Lakewood's founder, John Osteen, to explain how his son Joel expanded his legacy and fashioned the congregation into America's largest megachurch. As a popular preacher, Joel Osteen's ministry has been a source of existential strength for many, but also the routine target of religious critics who vociferously contend that his teachings are theologically suspect and spiritually shallow. Sinitiere's keen analysis shows how Osteen's rebuttals have expressed a piety of resistance that demonstrates evangelicalism's fractured, but persistent presence. Salvation with a Smile situates Lakewood Church in the context of American religious history and illuminates how Osteen has parlayed an understanding of American religious and political culture into vast popularity and success.

Baptism in the Holy Spirit with Speaking in Tongues - Patrick Markley 2015-03-31

In the Christian community there are many controversial and misunderstood gifts of God. But none of God's gifts to His children seem to elicit as much excitement and as much misunderstanding as the gift of the Baptism in the Holy Spirit with Speaking in Tongues. This gift is extremely important for growth and awareness of the indwelling of the Holy Spirit of God and for the development of the power of God in the life of the Christian. This book is the result of working and collaborating with God's people to present this subject

from God's word in text that is easily understood. It is our desire to share the wisdom God has given to us through this work.

*Baptism in Holy Spirit* - James D. G. Dunn 2013-01-26

In Baptism in the Holy Spirit James Dunn argues that water baptism is only one element in the New Testament pattern of conversion and initiation. The gift of the Spirit, he believes, is the central element. For the writers of the New Testament only those who had received the Holy Spirit could be called Christians. For them, the reception of the Spirit was a very definite and often very dramatic experience - the decisive and climactic experience in conversion-initiation - to which Christians were usually recalled when reminded of their Christian faith and experience. James Dunn uncovers the place of the gift of the Holy Spirit in the total complex event of becoming a Christian.

James "aka" Daniel Harris 2009-08-02

Baptism of the Holy Spirit is a term used to describe a movement of the Spirit upon and/or within a believer usually sometime after the person is saved. There is controversy surrounding this phenomenon as to whether it is legitimate or not. Some people believe that once a person is saved the Holy Spirit is in the person and there is no subsequent "baptism in the Holy Spirit." In other words, they maintain that this Baptism of the Spirit occurs at salvation. Others believe that it is possible for the Christian to experience an additional movement of the Holy Spirit sometime after salvation. But what about.... ?

**Baptism of the Holy Spirit** - Pius Joseph 2017-08-04

Next to salvation, the critical need in the life of every believer in the church of Christ is the Baptism of the Holy Spirit. The day that the believer gets saved there is a residue of the power of the Spirit in him. However, his effectiveness is limited. His power to exercise his authority as a child of the living God is also limited. The believer can keep rejoicing in the finished works of Christ Jesus until one day when he realizes that he needs to grow beyond the level that he is. It becomes apparent to the believer that although he is saved, there is a need for a higher power. At such point, the main prayer becomes Come Holy Spirit, or I want to be filled with the Holy Spirit. The believer today is in need of the power that came down on the day of Pentecost that changed the course of humanity forever. This book was birthed from the deep altar of prayer to release this same grace to many other people. If you want to be filled with the Holy Spirit, then this is the right material that you need. In this book, I will show you how to pray and get filled with the Holy Spirit in simple and easy ways so that you can speak in tongues. I also provided answers to what you need to get out of the way so that you can be filled with the Holy Spirit. The Baptism of the Holy Spirit is Not an Option - Gary Radcliff 2008-02

Millions of Christians seem to be living below the standards God's word has for them and are going through life thinking they have all they need from God. Yet they are denying themselves the most important part of the power package God wants them to have. The Christian Church has failed to truthfully teach the people about the power of the Baptism of the Holy Spirit. The church has a form of godliness but where is the power they need to overcome the enemy? This book is designed to show all Christians that the Baptism of the Holy Spirit is not an option we can get by without. Christianity needs the Baptism of the Holy Spirit and the power that comes with it. The Word commands us to be baptized in the Holy Spirit. Dr. Radcliff has been a Christian for over 50 years. In 1976 he received the baptism of the Holy Spirit and has been living the abundant life Jesus promised us in John 10: 10 ever since. Called of God as a teacher in the five-fold ministry when he was 37, he has been teaching that God has a plan of success for all Christians if they will apply the Word of God to their lives. Since 1976 he has applied Luke 10: 19 to his walk with God and is living proof that the Word works. He has not been sick and takes no medicine since learning about the success principles he writes about in his books. He enjoys living in perfect health. He attributes his

success to having faith in God, the Word, and being a doer of the Word.

*Increasing the Knowledge of Baptism in the Holy Spirit* - Dr. Sunday Omotosho 2022-10-31

Too often, Jesus Christ is central to the theology of the Church but hardly central in the way we do Church. This scholarly work, *Increasing the Knowledge of Baptism in the Holy Spirit*, is a refreshing insight and a powerful corrective to the Church, who must continually

Spirit Baptism - Verna M. Linzey 2008-08

Get ready for a "Church Shift" through praying in the Spirit and thinking ecumenically, looking at key elements that unite the Church. **God'S Baptism with the Holy Spirit** - Samuel Siders

2018-01-17

There are many who falsely believe the nine gifts of the Holy Spirit ended in the first century. Over the years, I have had to research to find historical information that proves that conclusion is false. As a result, I found historical information that substantiates that the

charismata had never ceased to be manifested by God. This book contains that historical information. This book is also to share the overwhelming benefits God has provided with the baptism of his Spirit to be more victorious in our obedience to him, a greater threat to Satan, and to defend Gods baptism by using history and the scriptures. It has been Satans agenda to discourage those who profess to be born-again Christians from ever receiving this God-given baptism by deceiving preachers to blaspheme against this baptism.
