2018-04-18

Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and reclaim bits and pieces of your own. "Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure."-Gunilla

Norris, author of *Sheltered in the Heart* and *Companions on the Way: A Little Book of Heart-full Practices* "Laurie's transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone's life.

*Playboy's Silverstein Around the World* - Shel Silverstein 2007-05-22

Displaying the wit and marvelous drawings that made Shel Silverstein one of the most beloved artists of the century, *Playboy's Silverstein Around the World* collects and reproduces the twenty-three travel pieces Silverstein created for *Playboy* between

1957 and 1968. While children and adults alike know Shel Silverstein for his classic books *The Giving Tree*, *A Light in the Attic*, and *Where the Sidewalk Ends*, they may be less aware that Silverstein also created a dazzling series of illustrated comic travelogues published by Hugh M. Hefner in *Playboy*. *Playboy's Silverstein Around the World* not only reproduces these fascinating articles in facsimile form, it also provides an introduction with never-before-seen photos and drawings and rare, illuminating biographical detail. Beginning in May 1957 with "Return to Tokyo," the pieces reproduced in this book took Silverstein from Scandinavia to Africa and the Middle East, from Paris and London to Moscow, ending in the summer of 1968 with the two-part epic "Silverstein Among the Hippies." This unique collection is a legacy of the close relationship between Silverstein and Hefner, who saw the great potential of this

particular combination of artist and assignment, and the social revolution led by Playboy in the 1950s and 1960s. With its

wry, ribald humor and beautifully produced color illustrations, this tableau of the mid-twentieth-century world is sure to please and fascinate Silverstein's millions of fans.
