**The Glorious Hebrew Letters** - Darren Kelley 2008-10-26

Each letter in Hebrew is a way of life in its own right. Each Hebrew letter can be considered its own religion. The Hebrew language is a colorful language with plenty of depth. For example, the Hebrew letter "Lamed" uses the ox-goad for its symbol and it means to learn and prod. The Hebrew letter lamed is translated into the English letter 'L'. However, what does 'L' mean in English? That answer will be very difficult to answer without the Hebrew definition. The English letters loses height, depth and width without its Hebrew origins. The Hebrew letters contain so much wisdom that each one of us would gain enlightenment just by living by the precept and meaning of each letter. These Holy letters will help you become obedient to the voice and hand of God.

**Treasures of the Messiah** - Amos C Long III 2014-09-24

Treasures of the Messiah is a personal journey with Yahshua (Jesus) that still continues. Since 2006, G-d opened my eyes to the hidden things of His word. Layer after layer of teaching and revelations, I finally realized that there is no end to the depths of G-d and the Messiah. In fact, I began learning so much that I started to forget the special and valuable treasures which the L-rd had hidden. So I began making notes and shared them with my uncles, George and Brian Herman. The excitement

we had when a parable or a hidden word was opened to us. The learning became so vast that I decided to record it in a book and share with others. My uncles and I are pleased to give you the opportunity to receive the treasures the L-rd has so graciously given unto us. May you enjoy it as was have. I hope it is a pleasure for the Jewish reader and non-Jewish reader. The goal is to bridge the gap between both groups so both see the beautiful design and mysteries of the Messiah as a whole. **Messiah's Alphabet Word Study Series: Shalom** - James Cummins 2018-06-03

The Hebrew word "shalom" doesn't just mean "peace." At its core, "shalom" means "wholeness." That's why it's translated throughout the Bible with words like health, welfare, peace, safety, prosperity, calm, success, well-being, close friendship, completeness, and more. This word-study workbook takes the reader step-by-step through the key scriptures which portray this powerful Hebrew word in its wide variety of meanings. For each scripture, the original Hebrew phrase containing the word "shalom" is shown, followed by the verse's full context in English. Various Bible translations of each verse are included for convenient cross-translation comparison. This book also teaches the reader how to easily find and recognize the Hebrew root letters of "shalom" in each verse, even if the reader has never seen Hebrew letters before. The last lesson of the book concludes with a brief New Testament word study on a Biblical Greek word for "peace" - "eirene" - demonstrating how the Hebraic concept of "shalom" continues to be expressed throughout the New Testament.

**The Mystery of the Hebrew Letters** - Reverend Maria Goldstein  
2017-10-23

"Who hath ascended up into heaven, or descended? Who hath gathered the wind in his fists? Who hath bound the waters in a garment? Who hath established all the ends of the earth? What is his name, and what is his son's name, if thou canst tell?" (Proverbs 30:4). The answer to this riddle can be found in the revelation contained within this book. The Son's identity, once concealed in the divine letters of the Hebrew alphabet... is now revealed! Yeshua said, "Before Abraham was, I am." Messiah is also known as the Poretz, (the one who will break through). He was present from the beginning of time for the salvation of the world! Each Hebrew letter points to Jesus/Yeshua as the Messiah to all the nations of the world. The mystery of Messiah Yeshua was once hidden in the divine Hebrew letters and the Torah. This breakthrough information has been revealed for such a time as this. Yeshua said, "Repent for the Kingdom of God is near! "This book is a glimpse of Yeshua in the Hebrew Alpha-Bet. Yeshua said, "In the volume of the book it is written of me". You are about to get a glimpse of Yeshua revealed in the Hebrew. For those not fluent in Hebrew, it is my hope that this book will pique your interest in learning our holy language. As a Jewish Rabbi and a believer in Yeshua the Messiah, I highly recommend Mystery of the Hebrew Letters to

connect you to the Jewishness of Yeshua/Jesus. The Bible is a Jewish book from cover to cover and only in studying the Bible in Hebrew, its original language, will you begin to understand the richness of the Word of Elohim. As Christians, it's time to reconnect to the Jewish Roots of our faith." - Rabbi Deborah Brandt - Deborah's Messianic Ministries-Beit Midrash Tefillah Hallel Congregation and Vice President and Instructor at The Judaic Studies Institute and University. "Dr. Maria Goldstein, THANK YOU for writing this incredible book. As a Hebrew Christian for 46 years, I have never read anything like this! It solves the mystery of the Hebrew alphabet and reveals Yeshua/Jesus as the Son of God. Many of my questions have finally been answered by this book, which I highly and enthusiastically recommend!" -Pastor Meyer Stahl- Southern New Mexico Church of God, author, founder, producer, TV and radio host of What is Truth? "The 22 sacred letters of the Hebrew language are profound and spiritual since the language spoken by God in the Bible is made up from these letters. By trying to understand God's word we can learn even more by understanding the meaning of the letters that brought forth creation. Rev. Dr. Maria Goldstein does a wonderful job of revealing some of these mysteries and their relation to Messiah Yeshua." Rabbi George Quinn Beth Israel Messianic Center, El Paso, TX "Hebrew is a constructive language, and as such, even the letters must be considered when determining the meaning of the words! A Jewish story goes as follows: When God asked Adam to name the animals, Adam so filled with the knowledge of the Hebrew letters was able to look at each creature and knew which letters God used to bring that creature into existence. Those letters then became the name that Adam gave to each creature. So Adam did not so much as name the animals as much as being filled with the knowledge of the letters, he knew the name God had already given them. Dr Goldstein's Mystery of the Hebrew Letter Jesus Revealed is a wonderful little gem conveying some key elementary points of each Hebrew letter. This primer should be taken as a first step into the larger world of understanding the very Word of God, the Bible." Rabbi Gary Hartshorn Las Cruces, NM
