Little Man, What Now? - Hans Fallada 2019

From the bestselling author of *Alone in Berlin*, his acclaimed novel of a young couple trying to survive life in 1930s Germany 'Nothing so confronts a woman with the deathly futility of her existence as darning socks' A young couple fall in love, get married and start a family, like countless young couples before them. But Lämmchen and 'Boy' live in Berlin in 1932, and everything is changing. As they desperately try to make ends meet amid bullying bosses, unpaid bills, monstrous mothers-in-law and Nazi streetfighters, will love be enough? The novel that made Hans Fallada's name as a writer, *Little Man, What Now?* tells the story of one of European literature's most touching couples and is filled with an extraordinary mixture of comedy and desperation. It was published just before Hitler came to power and remains a haunting portrayal of innocents whose world is about to be swept away forever. This brilliant new translation by Michael Hofmann brings to life an entire era of austerity and turmoil in Weimar Germany. 'An inspired work of a great writer ... Fallada is a genius. The "Little Man" is Mr Everybody' Beryl Bainbridge 'There are chapters which pluck the nerves...there are chapters which raise the spirits like a fine day in the country. The truth and variety of the characterization is superb...it recognizes that the world is not to be altered with moral fables' Graham Greene 'Fallada deserves high praise for having reported so realistically, so truthfully, with such closeness to life' Herman Hesse 'Fallada at his best' Philip Hensher 'Performs the most astounding task, of taking us to a moment before history' Los Angeles Review of Books

Brighton Rock - Graham Greene 2018-04-10

A teenage sociopath rises to power in Britain's criminal underworld in this "brilliant and uncompromising" thriller (*The New York Times*). Seventeen-year-old Pinkie Brown, raised amid the casual violence and corruption in the dire prewar Brighton slums, has left his final judgment in the hands of God. On the streets, impelled by his own twisted moral doctrine, he leads a motley pack of gangsters whose sleazy little rackets have most recently erupted in the murder of an informant. Pinkie's attempts to cover their tracks have led him into the bed of a timid and lovestruck young waitress named Rose—his new wife, the key witness to his crimes, and, should she live long enough, his alibi. But loitering in the shadows is another woman, Ida Arnold—an avenging angel determined to do right by Pinkie's latest victim. Adapted for film in both 1948 and 2010 and for the stage as both a drama and musical, and serving as an inspiration to such disparate artists as Morrissey, John Barry, and Queen, "this bleak, seething and anarchic novel still resonate[s]" (*The Guardian*).

A Single Man - Christopher Isherwood 2013-11-19

Welcome to sunny suburban 1960s Southern California. George is a gay middle-aged English professor, adjusting to solitude after the tragic death of his young partner. He is determined to persist in the routines of his former life. *A Single Man* follows him over the course of an ordinary twenty-four hours. Behind his British reserve, tides of grief, rage, and loneliness

surge—but what is revealed is a man who loves being alive despite all the everyday injustices. When Christopher Isherwood's *A Single Man* first appeared, it shocked many with its frank, sympathetic, and moving portrayal of a gay man in maturity. Isherwood's favorite of his own novels, it now stands as a classic lyric meditation on life as an outsider.

The Man Within - Graham Greene 2018-05-15

The "strikingly original" debut novel by the masterful British author is "a perfect adventure" of love and smuggling on the English coast (*The Nation*). Francis Andrews is a reluctant smuggler living in the shadow of his brutish father's legacy. To exorcise the ghosts of the man he loathes, Andrews betrays his colleagues to authorities and takes flight across the downs. It's here that he stumbles upon the isolated cottage of a beguiling stranger named Elizabeth—an empathetic young woman who is just as lonely, every bit the outsider as he, and reconciling a troubling past of her own. Andrews, a man on the run from those he exposed, believes he's found refuge and salvation. But when Elizabeth encourages him to return to the courts of Lewes and give evidence against his accomplices, the treacherous and deadly repercussions may be beyond their control. "The ultimate strengths of [Graham] Greene's books is that he shows us the hazards of compassion," a theme that would find its earliest expression in *The Man Within*, his first published novel (Pico Iyer).

A Sort of Life - Graham Greene 2011-03-22

Graham Greene's 'long journey through time' began in 1904, when he was born into a tribe of Greens based in Berkhamstead at the public school where his father was headmaster. In *A Sort of Life* Greene recalls schooldays and Oxford, adolescent encounters with psychoanalysis and Russian roulette, his marriage and conversion to Catholicism, and how he rashly resigned from *The Times* when his first novel, *The Man Within* was published in 1929. *A Sort of Life* reveals, brilliantly and compellingly, a life lived and an art obsessed by 'the dangerous edge of things'.

Monsignor Quixote - Graham Greene 2010-10-02

Driven away from his parish by a censorious bishop, Monsignor Quixote sets off across Spain accompanied by a deposed renegade mayor as his own Sancho Panza, and his noble steed Rocinante – a faithful but antiquated SEAT 600. Like Cervantes's classic, this comic, picaresque fable offers enduring insights into our life and times.

Reality Hunger - David Shields 2010-02-23

A landmark book, "brilliant, thoughtful" (*The Atlantic*) and "raw and gorgeous" (*LA Times*), that fast-forwards the discussion of the central artistic issues of our time, from the bestselling author of *The Thing About Life Is That One Day You'll Be Dead*. Who owns ideas? How clear is the distinction between fiction and nonfiction? Has the velocity of digital culture rendered traditional modes obsolete? Exploring these and related questions, Shields orchestrates a chorus of voices, past and present, to reframe debates about the

veracity of memoir and the relevance of the novel. He argues that our culture is obsessed with "reality," precisely because we experience hardly any, and urgently calls for new forms that embody and convey the fractured nature of contemporary experience.

Journey Without Maps - Graham Greene 2018-05-15

The British author embarks on an awe-inspiring trek through 1930s West Africa in "one of the best travel books [of the twentieth] century" (The Independent). When Graham Greene left Liverpool in 1935 for what was then an Africa unmarked by colonization, it was to leave the known transgressions of his own civilization behind for those unknown. First by cargo ship, then by train and truck through Sierra Leone, and finally on foot, Greene embarked on a dangerous and unpredictable 350-mile, four-week trek through Liberia with his cousin, and a handful of servants and bearers, into a world where few had ever seen a white man. For Greene, this odyssey became as much a trip into the primitive interiors of the writer himself as it was a physical journey into a land foreign to his experience. "No one who reads this book will question the value of Greene's experiment, or emerge unshaken by the penetration, the richness, the integrity of this moving record." —The Guardian

The Spy's Bedside Book - Graham Greene 2013-05-31

On its first appearance in 1957, Hugh and Graham Greene's *The Spy's Bedside Book* provoked a storm of interest, and, perhaps unsurprisingly, 100 copies were bought by East German Intelligence. This classic anthology, with a new introduction by the former head of MI5, Stella Rimington, includes stories by some of the great writers on spying and many practitioners, including Ian Fleming and John Buchan, Sir Robert Baden-Powell and Belle Boyd, Walter Schellenberg and Major André, Sir Paul Dukes and Vladimir Petrov, and from the golden age of mystery and suspense, William Le Queux and E. Phillips Oppenheim. There are also some unexpected figures: William Blake, D.H. Lawrence and Thomas Mann, all suspected of spying in three great wars. How can you hide messages in a boiled egg? Why should you always put pepper in your vodka when in Russia? Answers to these questions and much more can be found in this thrilling collection, which will enthral readers once again with its tales of espionage from a bygone era.

Saints, Sinners and Comedians - Roger Sharrock 1984

A study of Graham Greene's novels. Also provides concise plot summaries.

When the Going Was Good - Evelyn Waugh 2012-05-31

Between 1929 and 1935 Evelyn Waugh travelled widely and wrote four books about his experiences. In this collection he writes, with his customary wit and perception, about a cruise around the Mediterranean; a train trip from Djibouti to Abyssinia to attend Emperor Haile Selassie's coronation in 1930; his travels in Aden, Zanzibar, Kenya and the Congo, coping with unbearable heat and plagued by mosquitoes; a journey to Guyana and Brazil; and his return to Addis Ababa in 1935 to report on the war between Abyssinia and Italy. Waugh's adventures on his travels gave him the ideas for such classic novels as *Scoop* and *Black Mischief*.

Message and Meaning of Graham Greene's "Brighton Rock" - Christian Schäfer 2007-09

The Christian and Anxiety - Hans Urs Von Balthasar 2011-09-20

From Luther to Kierkegaard, from Heidegger to Sartre, the theme of anguish has dominated both philosophy and spiritual theology. In our "societies of depression" where individuals confront their own loneliness, this theme has recently regained its intensity. In these dense and luminous pages, he is not content merely to show how much this feeling is profoundly inscribed in the heart and the word of God—from the Psalms to the Gospels—but he enters into intimate dialogue with contemporary thought and in particular its existentialist expression. For Balthasar, the Christian faith does not offer a

ready made response, but is simultaneously a journey through the torment of the cross and the liberation from fear by the gift of grace. In the wake of a Bernanos, or a Péguy, Balthasar emphasizes how much confidence in God leads to a hope which is inexhaustible.

She Stoops To Conquer - Oliver Goldsmith 2024-04-15

"*She Stoops to Conquer*" is a comedy play written by the Anglo-Irish playwright Oliver Goldsmith. It was first performed in London in 1773. The play is a classic of English literature and is known for its humor, wit, and exploration of social class distinctions. The plot revolves around the attempts of two young men, Marlow and Hastings, to court the wealthy Miss Kate Hardcastle and her cousin Constance Neville. Mistaken identities, misunderstandings, and comedic situations ensue when Marlow mistakes the Hardcastle home for an inn and behaves differently towards Kate than he does towards ladies of his own class. The title, "She Stoops to Conquer," refers to the central plot point where Kate pretends to be a barmaid to win over Marlow, who is shy and awkward around upper-class women but more confident with women of lower social status.

Writer's Notebook - W. Somerset Maugham 1991-10-03

Seeds of Fiction - Bernard Diederich 2012-11-01

A major new biography of Graham Greene with extensive new material; exclusive, never-before-seen photographs of Greene on his travels; and full family cooperation. An essential read for fans of literary biography, this book finally and fully illuminates a pivotal episode in Graham Greene's life and career in the kind of detail that will sate any fans of his work, but which also provides a fascinating glimpse into a writer's life. In 1965, Greene joined journalist Bernard Diederich in the Dominican Republic to embark on a tour of its border with Haiti, then ruled by "Papa Doc" Duvalier. They were accompanied by activist priest Jean-Claude Bajeux. Diederich had known Greene since the mid-1950s and had lived in Haiti for 14 years. He was a seasoned correspondent for the British and North American press and had reported many stories from the region, including Castro's triumph in Cuba and the death of the Dominican dictator, Trujillo. In 1963, he had been thrown out of Haiti and when Greene arrived was working from the Dominican Republic. The famous novelist was 61 and depressed, having struggled to finish *A Burnt-Out Case*, and was being plagued by religious doubt; Bajeux, meanwhile, had been informed that his family had been "disappeared" by Duvalier's henchmen. As this trio traveled along the border they met a number of rebels and other characters later fictionalized in Greene's most politically charged novel, *The Comedians*, published the following year. This book tells the story of how a series of extraordinary and often hair-raising journeys gave one of the greatest novelists of the 20th century new inspiration in his writing.

Yours Etc - Graham Greene 1991

Among the Believers - V. S. Naipaul 2011-03-23

The Nobel Prize-winning author gives us – on the basis of his own intensive seventeen month journey across the Asian continent – an unprecedented revelation of the Islamic world. • "A brilliant report.... A book of scathing inquiry and judgment, whose tragic power is being continually reinforced by current events" (Newsweek). With all the narrative power and intellectual authority that have distinguished his earlier books and won him international acclaim ("There can hardly be a writer alive who surpasses him" – Irving Howe, The New York Times Book Review), Naipaul explores the life, the culture, the ferment inside the nations of Islam – in a book that combines the fascinations of the great works of travel literature with the insights of a uniquely sharp, original, and idiosyncratic political mind. He takes us into four countries in the throes of "Islamization" – countries that, in their ardor to build new societies based entirely on the fundamental laws of Islam, have violently

rejected the “materialism” of the technologically advanced nations that have long supported them. He brings us close to the people of Islam – how they live and work, the role of faith in their lives, how they see their place in the modern world.

It's a Battlefield - Graham Greene 2018-05-15

An “adventurous . . . intelligent . . . ingenious” novel of crime and punishment in pre–World War II London (V. S. Pritchett). During a demonstration in Hyde Park, Communist bus driver Jim Drover acts on instinct to protect his wife by stabbing to death the policeman set to strike her down. Sentenced to hang—whether as a martyr, tool, or murderer—Drover accepts his lot, unaware that the ramifications for the crime, and the battle for his reprieve, are inflaming political unrest in an increasingly divided city. But Drover's single, impulsive act is also upending the lives of the people he loves and trusts. Caught in a quicksand of desperation, sexual betrayal, and guilt, they will not only play a part in Drover's fate, but they'll become agents—both unwitting and calculated—of their own fates as well. Turning the traditional narrative of the police procedural, domestic drama, and political thriller on its head, *It's a Battlefield* was described by Graham Greene himself as “a panoramic novel of London,” one without heroes and villains, only “the injustice of man's justice.”

A World of My Own - Graham Greene 2018-08-07

The British author shares the “strange . . . inner layers of his playful, guilty imagination” in this glimpse into a brilliant novelist's subconscious (*The New York Times*). Culled from nearly eight hundred pages of the author's “dream diaries” kept between 1965 and 1989, this singular journal reveals “the feverish inner life of an intensely private man, providing an uncanny mirror-image of [his] novelistic obsessions, insecurities, and moral preoccupations” (*Publishers Weekly*). In what Greene calls *My Own World*—as opposed to the *Common World* of shared reality—he accompanies Henry James on a disagreeable riverboat trip to Bogota, is caught in a guerilla crossfire with Evelyn Waugh and W. H. Auden, strolls in the Vatican garden with Pope John Paul II who's doling out Perugina chocolates like hosts, offers refuge to a suicidal Charlie Chaplin, and stages a disastrous play in blank verse for Elizabeth Taylor and Richard Burton. He also shares his headspace with Goebbels, Castro, Cocteau, Queen Elizabeth, D. H. Lawrence, and talking kittens. And the landscape is just as wide: from Nazi Germany to Haiti to West Africa to Bethlehem 1 AD and to Sweden where he seeks treatment for leprosy. Greene is a criminal, spy, lover, assassin, witness, and writer. Encompassing life, death, war, feuds, and career, and alternately absurdist, frightening, funny, and revealing, these fertile imaginings—many of which found their way into Greene's fiction—comprise nothing less than “an alternate autobiography . . . a uniquely candid self-portrait” of one of the giants of English literature (*Kirkus Reviews*).

Essay on Graham Greene's "Proof Positive" - Alexandra Baum 2012-06-14

Essay from the year 2011 in the subject Didactics for the subject English - Literature, Works, grade: 2.0, University of Potsdam (Anglistik/Amerikanistik), language: English, abstract: In many of his short stories Graham Greene writes about the theme of death. Here death always stands in close relation to fear, though there are only two of his short stories namely *A Little Place off Edgware Road* and *Proof Positive*, which by their

settings and characters create a certain kind of horror and revulsion. The latter, M. G. Brennan wrote, is “[...] dealing with the polarities of life and death [...]” (28) and has a rather ironical and mystic notion towards the theme. Brian Diemert claims in his article *Recomposing “Valdemar”* that Edgar Allan Poe's short story *The Facts in the Case of M. Valdemar* “[...] is both the model for and the precursor of Greene's story, [...]” (1). The writer got inspired by Poe's combination of horror and suspense as well as the resolute and appalling way he used to end his tale.

Kingdom of Shadows - Alan Furst 2001-03-13

“*Kingdom of Shadows* must be called a spy novel, but it transcends genre, as did some Graham Greene and Eric Ambler classics.”—*The Washington Post* Paris, 1938. As Europe edges toward war, Nicholas Morath, an urbane former cavalry officer, spends his days working at the small advertising agency he owns and his nights in the bohemian circles of his Argentine mistress. But Morath has been recruited by his uncle, Count Janos Polanyi, a diplomat in the Hungarian legation, for operations against Hitler's Germany. It is Morath who does Polanyi's clandestine work, moving between the beach cafés of Juan-les-Pins and the forests of Ruthenia, from Czech fortresses in the Sudetenland to the private gardens of the déclassé royalty in Budapest. The web Polanyi spins for Morath is deep and complex and pits him against German intelligence officers, NKVD renegades, and Croat assassins in a shadow war of treachery and uncertain loyalties, a war that Hungary cannot afford to lose. Alan Furst is frequently compared with Eric Ambler, Graham Greene, and John le Carré, but *Kingdom of Shadows* is distinctive and entirely original. It is Furst at his very best. Praise for *Kingdom of Shadows* “*Kingdom of Shadows* offers a realm of glamour and peril that are seamlessly intertwined and seem to arise effortlessly from the author's consciousness.”—Janet Maslin, *The New York Times* “Subtly spun, sensitive to nuances, generous with contemporary detail and information discreetly conveyed. . . . It's hard to overestimate *Kingdom of Shadows*.”—Eugen Weber, *Los Angeles Times* “A triumph: evocative, heartfelt, knowing and witty.”—Robert J. Hughes, *The Wall Street Journal* “Imagine discovering an unscreened espionage thriller from the late 1930s, a classic black- and- white movie that captures the murky allegiances and moral ambiguity of Europe on the brink of war. . . . Nothing can be like watching *Casablanca* for the first time, but Furst comes closer than anyone has in years.”—Walter Shapiro, *Time*

The Quiet American - Graham Greene 2018-03-13

A “masterful . . . brilliantly constructed novel” of love and chaos in 1950s Vietnam (Zadie Smith, *The Guardian*). It’s 1955 and British journalist Thomas Fowler has been in Vietnam for two years covering the insurgency against French colonial rule. But it’s not just a political tangle that’s kept him tethered to the country. There’s also his lover, Phuong, a young Vietnamese woman who clings to Fowler for protection. Then comes Alden Pyle, an idealistic American working in service of the CIA. Devotedly, disastrously patriotic, he believes neither communism nor colonialism is what’s best for Southeast Asia, but rather a “Third Force”: American democracy by any means necessary. His ideas of conquest include Phuong, to whom he promises a sweet life in the states. But as Pyle’s blind moral conviction wreaks havoc upon innocent lives, it’s ultimately his romantic compulsions that will play a role in his own undoing. Although criticized upon publication as anti-American, Graham Greene’s “complex but compelling story of intrigue and counter-intrigue” would, in a few short years, prove prescient in its own condemnation of American interventionism (*The New York Times*).
