Call Her Mine - Melissa Foster 2019

Two besties and a baby make for an instafamily and a surprising romance in a delightful series by Melissa Foster, the New York Times bestselling author of the Sugar Lake novels. Ben Dalton has always been honest, except where his heart is concerned. He's been in love with his best friend--saucy, smart-mouthed Aurelia Stark--forever. But Ben's a planner, and timing has never been on his side. When he finally decides to make his move, Aurelia beats him to the punch with a move of her own--to a different town. Aurelia loves her new life in the charming town of Harmony Pointe. She has a great apartment and her very own bookstore, and best of all, the sinfully hot, commitment-phobic friend she's crushed on for years is no longer just around the corner. Maybe she'll finally be able to leave her unrequited love behind and move on. But when a baby is left on Ben's front porch--a baby that is presumably his--Aurelia is there for him. Neither one knows the first thing about babies, but how hard can it be? Ben and Aurelia are catapulted into a world

of love, laughter, and tracking down the baby mama, and it might even add up to a very happily ever after... just not one either of them expects.

Fatal Harmony - Anne Malcom 2021-03-19

I may be the villain of the story, but at least I get a leading role. Evil is a term thrown around history and literature as if it's something so easily definable. A concept to fight against. Evil doesn't exist. Neither does 'good.' Vampires do, though. I just happen to be one. I've cruised through the centuries managing to avoid all the wars, supernatural and human, but still going to all the best parties. I would say I avoided bloodshed, but it's kind of part of the whole 'vampire' thing. I've lived on the fringes of a society that considered cruelty and sadism favorable character traits for almost five hundred years. Now I'm in the middle of a war that might just put my nonbeating heart in a lot of danger. Battles, I can handle. The impossible attraction between me and the vampire slayer, not to mention the penetrating gaze of the king of our race, on the other hand? I might not get out undead.

Renovation of the Heart - Dallas Willard 2014-02-27

As Christians, we know that we are new creations in Jesus. So we try to act differently, hoping this will make us more like Him. But changing our outward behavior doesn’t change our hearts. Only by God’s grace can we be transformed internally. *Renovation of the Heart* lays a biblical foundation for understanding what best-selling author Dallas Willard calls the “transformation of the spirit”—a divine process that “brings every element in our being, working from inside out, into harmony with the will of God.” This fresh approach to spiritual growth explains the biblical reasons why Christians need to undergo change in six aspects of life: thought, feeling, will, body, social context, and soul. Willard also outlines a general pattern of transformation in each area, not as a sterile formula but as a practical process that you can follow without the guilt or perfectionism so many Christians wrestle with. Don’t settle for complacency. Accept the challenge *Renovation of the Heart* offers to become an intentional apprentice of Jesus Christ, changing daily as you walk with Him.

The Harmony of Love: A Christian Romance - Kimberly Rae Jordan 2021-06-17

To those around her, her life plays like a simple melody. But she hears the whole song, complete with the harsh sounds of discordant notes. Along with everything else she does at the family's lodge, Leah McNamara also finds the time to write music, using it as an outlet for the things she's experiencing in her life. Leah would be perfectly content with her life at the lodge and her music if she wasn't worried about the secrets she's kept hidden from her family that are now threatening to be revealed. If that were to happen, the betrayal her mom and siblings would feel could damage everything. The realization of his dream had been like a beautiful song, until someone else's actions brings it all to an end. Gavin Colley is unsettled, set adrift when the popular contemporary Christian music group he'd founded crashes and burns in a fiery scandal. When he hears a song being sung by a woman whose voice resonates with him, he sets off to convince her to write and record a song with him. He hopes it might help to give him the direction he needs to move forward. As he bides his time, waiting for the right moment to ask her to collaborate with

him, Gavin finds himself intrigued by the prickly woman. Being around her is the perfect distraction from the mess his career is in. But there's also something more there that he hadn't expected to find when he'd made his way to New Hope Falls. When Gavin shows up at the lodge, Leah knows who he is and what's happened. She has long admired his talent as a fellow musician, so she finds herself getting closer to him than she would normally with a guest at the lodge. But even as they draw closer, Leah knows that anything beyond friendship is impossible. Their lives don't harmonize since Gavin's life is on the other side of the country and he's frequently on tour, while Leah prefers being behind the scenes and helping at her family's lodge. But when love finds its way into their hearts, will they try to bring their lives into harmony? Or will they be left with heartache? *The Harmony of Love* is book 7 of the Christian romance series, *New Hope Falls*. Love Letter to the Earth - Thich Nhat Hanh 2013-06-17

The Zen monk argues for a more mindful, spiritual approach to environmental protection and activism—one that recognizes people and planet as one and the same While many experts point to the enormous complexity in addressing issues ranging from the destruction of ecosystems to the loss of millions of species, Thich Nhat Hanh identifies one key issue as having the potential to create a tipping point. He believes that we need to move beyond the concept of the “environment,” as it leads people to experience themselves and Earth as two separate entities and to see the planet only in terms of what it can do for them. Thich Nhat Hanh points to the lack of meaning and connection in peoples’ lives as being the cause of our addiction to consumerism. He deems it vital that we recognize and respond to the stress we are putting on the Earth if civilization is to survive. Rejecting the conventional economic approach, Nhat Hanh shows that mindfulness and a spiritual revolution are needed to protect nature and limit climate change. *Love Letter to the Earth* is a hopeful book that gives us a path to follow by showing that change is possible only with the recognition that people and the planet are ultimately one and the same.

All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Think Like a Monk - Jay Shetty 2020-09-08

Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

And Our Faces, My Heart, Brief as Photos - John Berger 2011-07-13

Berger reveals the ties between love and absence, the ways poetry endows language with the assurance of prayer, and the tensions between the forward movement of sexuality and the steady backward tug of time. He recreates the mysterious forces at work in a Rembrandt painting, transcribes the sensorial experience of viewing lilacs at dusk, and explores the meaning of home to early man and to the hundreds of thousands of displaced people in our cities today. *And Our Faces, My Heart, Brief as Photos* is a seamless fusion of the political and personal.

The B-Side - B. Harmony 2020-07-30

Chance When I read the roommate wanted ad, I thought my sister was encouraging me to live with an insane person. As it turns out, he isn't insane, he's sexy and one hundred percent my type. Living with him will be the ultimate test of my self control. When the combination of our love of music and my overwhelming need to take care of him meets jealousy, sparks fly. His heart may be damaged, but nothing is beyond repair. Now all I have to do is convince him that I'm in this for the long haul, not just this moment. Tyler I may look like the happy-go-lucky gay guy with a big smile and more punny tees than one person should probably own. But it's just a shield to protect my heart, the one that has been torn apart by the people who were meant to love me most. The last thing I'm willing to do is risk the tattered shreds on my new --straight--roommate. Sure, he's sexy as sin and has a love of music that rivals my own, but all that is just grounds for a new friendship. Nothing more. Right? Yet, every moment we spend together tests a little bit more of my self control. When it turns out my roommate is not as straight as I once thought, I have to decide if this is one playlist I should listen to. Will we have our own love song, or will this just be another broken-hearted ballad?
