A Hunger for God - John Piper 2013-04-23

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

Messiah's Miracles - Milton Goh 2020-01-28

I have prayed for others and seen instant healing miracles and received supernatural words of knowledge about them. I have also received miracles through prayer and others praying for me. I believe in a living God who has shown me through personal experience that He is real. The Bible clearly reveals God's will for every believer to walk in the miraculous. If you're tired of a Christian walk that has no evidence of God's manifested power, all it takes is to replace some wrong beliefs so that unbelief can be cast out. This is what I believe the Holy Spirit wants to do through this book "Messiah's Miracles-The Power of Having Faith in Jesus Christ". Under the New Covenant of Grace, every blessing is received by faith. If you have been trying to earn your miracles by showing your devotion to God by your works, it's no wonder you don't see any miracles. Faith comes by hearing about Jesus and this book is all about Jesus and designed to impart faith to the reader. During Jesus' ministry on earth, He didn't work any miracles by His own authority as God. He relied completely on faith in His Father and the power of the Holy Spirit. The Holy Spirit purposefully chose 37 of Jesus' miracles to be recorded in the four gospels. This is no coincidence. Each miracle reveals something powerful about our Lord Jesus. I believe that as you read about the 37 miracles of Jesus in the four gospels, faith will arise in your heart to receive miracles in your own life. As you behold Jesus in His love, goodness and grace, you will see transformation in yourself and in your circumstances. No self-help book can do that. Only the preached Gospel has God's power to save in all ways. As you set aside time to read about Jesus in all His majesty and beauty, I'm trusting that God will honor your faith and command a chain of long-awaited breakthroughs in your life.

Reading Revelation Responsibly - Michael J. Gorman 2011-01-01

Reading Revelation Responsibly is for those who are confused by, afraid of, and/or preoccupied with the book of Revelation. In rescuing the Apocalypse from those who either completely misinterpret it or completely ignore it, Michael Gorman has given us both a guide to reading Revelation in a responsible way and a theological engagement with the text itself. He takes interpreting the book as a serious and sacred responsibility, believing how one reads, teaches, and preaches Revelation can have a powerful impact on one's own--and other people's--well-being. Gorman pays careful attention to the book's original historical and literary contexts, its connections to the rest of Scripture, its relationship to Christian doctrine and practice, and its potential to help or harm people in their life of faith. Rather than a script for the end times, Gorman demonstrates how Revelation is a script for Christian worship, witness, and mission that runs counter to culturally embedded civil religion.

Sowing and Reaping - Dwight Moody 2020-08-15

Reproduction of the original: Sowing and Reaping by Dwight Moody

Fault Lines - Voddie T. Baucham 2021-04-06

The Ground Is Moving The death of George Floyd at the hands of police in the summer of 2020

shocked the nation. As riots rocked American cities, Christians affirmed from the pulpit and in social media that "black lives matter" and that racial justice "is a gospel issue." But what if there is more to the social justice movement than those Christians understand? Even worse: What if they've been duped into preaching ideas that actually oppose the Kingdom of God? In this powerful book, Voddie Baucham, a preacher, professor, and cultural apologist, explains the sinister worldview behind the social justice movement and Critical Race Theory—revealing how it already has infiltrated some seminaries, leading to internal denominational conflict, canceled careers, and lost livelihoods. Like a fault line, it threatens American culture in general—and the evangelical church in particular. Whether you're a layperson who has woken up in a strange new world and wonders how to engage sensitively and effectively in the conversation on race or a pastor who is grappling with a polarized congregation, this book offers the clarity and understanding to either hold your ground or reclaim it.

Thinking through Paul - Todd D. Still 2014-09-09

The study of Paul and his letters can be exciting, challenging, and life-changing, but only if it is done well and only if students achieve more than a basic familiarity with the subject. This is exactly what Pauline experts Bruce W. Longenecker and Todd D. Still accomplish with their new textbook aimed at college and seminary level courses on Paul and his writings. Longenecker and Still bring decades of study and expertise to Thinking through Paul, challenging readers to delve deeply into Paul's writings and wrestle with his richly-layered and dynamic theological discourse. Seeking to situate their study of the Apostle in proper perspective, Longenecker and Still first look at Paul's life before and after his encounter with the risen Christ en route to Damascus, then examine each of Paul's letters individually, and finally synthesize the Pauline writings to highlight the main strands of Paul's theologizing—all the while keeping in mind the particular context of first-century Christianity. Filled with images, maps, charts, and questions for further study and discussion, Thinking through Paul is both engaging and easy-to-follow, making it the perfect choice for classrooms and for interested readers.

The Wrath of God - John MacArthur 1986

Torn to Heal - Mike Leake 2013-05-01

God is radically dedicated to our ongoing growth in spiritual maturity and holiness. This is both glorious and terrifying. It is glorious because the Lord of heaven and earth is for us. But it is terrifying because we are idolaters. This means that when God brings greater redemption into our lives he also brings a death sentence to our fallen desires. In love, God will do whatever it takes - even tearing us to shreds if necessary - to replace our feeble pleasures with lasting desire for himself. Sadly, in our culture two false responses to suffering have become deeply embedded in the Church: deadly dualism and shallow stoicism. Each can effectively hijack God's good purpose in suffering. Torn to Heal equips us to understand and reject these false and self-defeating approaches to suffering, and to embrace God's good purpose in our trials.

Jeremiah and Lamentations (ESV Edition) - Philip Graham Ryken 2016-05-13

The prophet Jeremiah is a supreme example of how believers can live well in a society that has turned against God. While the book of Jeremiah chronicles the last, desperate days of Jerusalem

before it is conquered by an invading army, Lamentations expresses the cries of Jeremiah's heart for the fallen city. Together, the two books reflect on the meaning of human suffering and illustrate the eternal principle that a man will reap what he sows. In this commentary, Philip Graham Ryken helps pastors, church leaders, and Bible teachers understand and teach these spiritually relevant books, inspiring readers to respond to God's personal call to live for him in these troubled times. Part of the Preaching the Word series.

The Morality of God in the Old Testament - Gregory K. Beale 2013

Expositions of the Psalms 1-32 (Vol. 1) - Saint Augustine (of Hippo) 1990

"As the psalms are a microcosm of the Old Testament, so the Expositions of the Psalms can be seen as a microcosm of Augustinian thought. In the Book of Psalms are to be found the history of the people of Israel, the theology and spirituality of the Old Covenant, and a treasury of human experience expressed in prayer and poetry. So too does the work of expounding the psalms recapitulate and focus the experiences of Augustine's personal life, his theological reflections and his pastoral concerns as Bishop of Hippo."--Publisher's website.

Galatians - Geoff Ziegler 2015-07-15

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout each book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The book of Galatians is one of the apostle Paul's most impassioned and eloquent letters. It warns Christians of the dangers of both legalism and lawlessness, while calling them to live lives that are shaped by the gospel. In this study, pastor Geoff Ziegler walks readers through the promises, warnings, and gospel declarations found in Galatians. Both accessible and theologically robust, this study will help Christians find freedom in their identity as God's adopted children.

A Living Sacrifice - John MacArthur 1987

Save Yourself Some Pain - Ray Comfort 2018

The Glory Now Revealed - Andrew M. Davis 2021-10-19

Believers know that when we die we enter heaven and will spend eternity there with God and the saints who have gone before us. But what actually happens in heaven? What are we going to be doing there? Won't it get boring at some point? According to Scripture, a large part of our experience of heaven will be a continual revealing of God's glory. Not just his glory in the moment, but during all of time. The mysteries of providence, the hidden movements of God throughout history, and the forgotten and unnoted works of even the most obscure of God's people will be unveiled so that we can see how wise, loving, gracious, and powerful our God is. And though we will experience perfection in heaven, we will never be omniscient, which means we will always be learning more about God's glory, inspiring us to return joyful praise and thanksgiving. If your vision of heaven has been limited to clouds and harps and angels, it's time to expand that view with the truth found in this biblically based look at the afterlife.

I Love Jesus, But I Want to Die - Sarah J. Robinson 2021-05-11

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church
What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In I Love Jesus, But I Want to Die, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, I Love Jesus, But I Want to Die offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Galatians - Ralph F. Wilson 2012

Galatians shines as Paul's foundational exposition of core Christianity. It's amazing how many so-called Christians don't really "get it." They think that the basis of Christianity is living a good moral life and doing good works. And - so long as you don't mess up your life entirely - you'll end up in heaven. And, oh yes, Jesus died for our sins, whatever that means. Paul's Letter to the Galatians deals with this kind of shallow understanding head-on. He had won the Galatians to Christ. But now some Jewish-Christians had begun to convince these Gentile believers that they couldn't be saved unless they were circumcised and kept the Mosaic Law. The new Christians were about to go backwards - from faith in Christ to faith in law-keeping - and Paul is adamant that this is a fall from grace. As you study Galatians, you'll begin to grasp the core of the gospel that helped Martin Luther to the conviction that we are saved by faith alone. You'll also learn to walk by the Spirit and bear the fruit of the Spirit in your character. This volume explores

Galatians in 9 lessons. Thought-provoking discussion questions make it a useful tool for personal enrichment, small groups, and classes. Extensive footnotes assist teachers and preachers with background research for sermon preparation.

Ultimate Issues - R. C. Sproul 2005

Develops a view of ultimate reality that answers satisfactorily life's ultimate questions (e.g., What is the purpose of everything? What's the standard for moral decisions?)
