It's Not What You've Got - Dr. Wayne W. Dyer 2007-09-21
Dr. Wayne W. Dyer, the internationally best-selling author and lecturer, has written a new book in his series of inspirational books for kids. **It's Not What You've Got** addresses the topics of money and abundance, with the understanding that children's earliest thoughts and perceptions about money are those that will last throughout

their lives. The concepts presented in this beautifully illustrated book include: · Money does not define who you are. · It doesn't matter what others have. · Abundance comes in many forms. Unlike most books on this subject, **It's Not What You've Got** is not a how-to manual on spending and saving for kids, but rather a positive, spiritual approach to the meaning of money.

Sara, Book 3 - Esther Hicks
2008-04-01

"Do you believe in ghosts?" Annette just sort of blurted out. Sara and Seth both looked up with surprise. "Well," Sara stalled, "I guess I do." She remembered the night Solomon

had visited her in her bedroom after Jason and Jimmy had shot him, but she hadn't really thought about him being a ghost that night; she'd just been so glad to see her beloved feathered friend. Sara and Seth looked at each other. Both of them knew that if anything would fall into the category of ghosts, Solomon would most likely be it, but they didn't say anything, uncertain about telling their new friend their special secret. "Well, do you believe in ghosts?" Seth asked, looking intently at Annette's serious face. Annette looked at Seth and then at Sara, who both sat quietly, each waiting to hear the answer. "No, I just wondered if

you did," Annette answered abruptly. "Hey, let's swing." And without taking the time to execute a perfectly calculated leap from the platform as she usually did, Annette grabbed the swinging rope and jumped off as if she couldn't do so fast enough. . . . Get ready for an exciting new adventure in joy with Sara, Seth, Solomon, and their new friend!

Omi of the Stars - Enrique Barrios
2019-12-31

This is the only updated version of the book. It has been revised and corrected by its author in

2020. The maturity acquired by the writer over the years, plus his search for greater knowledge, has allowed him to understand in greater depth several topics that he himself had written before in this book, when he only knew the topic "Aliens" from afar, and he was guided more by youthful enthusiasm than by accuracy. Today he writes the same story as before, but from a deeper perspective and a less childish, more realistic and more accurate perspective. This means that the previous versions do not reflect the author's current clarity about the themes that the book addresses. The spirituality it

presents is now easier to understand, and even the humor has grown. Omi, a young alien from a more advanced and benign world than ours, is the main character of this book. Translated into twelve languages, it has sold several million copies and continues to reach more people, languages and countries. Why is it so widely distributed? Perhaps because of the joyful words of wisdom and reflection that Omi uses to guide young and not so young people in a confused world: the problem of the climate, the great inequalities, corruption, etc., with their consequent revolts and protests. These are the effects;

Omi points to the cause, which is the lack of the inner light that he comes to point out. The book takes us to visit stellar societies superior to ours, and encourages us to produce the necessary changes so that one day we will live without polluted skies and without violence, as in the evolved worlds. These changes must first be made within each one of us. The Fundamental Law of the Universe, which Omi reveals, is the way forward. Enrique Barrios is a Chilean-Venezuelan author living in Spain. He was a tireless traveler, although today he considers that he has already exhausted his quota of trips because he has lived in many

countries and taken a complete tour around the world. In 1984 he had an inner experience that indicated to him that universal life revolved around what he called "The Fundamental Law of the Universe", and when he saw himself with such an important concept in his hands, without having been a writer, at the age of 39 and in only eight days he wrote "Omi", a book that became an immediate bestseller. In the mouth of the smiling young man of the stars, EB tells us about his discovery. "Omi" is a "Long-Seller", a "classic", a "must read", a book of which there are very few: Those that continue to be sold through the years.

Getting into the Vortex - Esther

Hicks 2020-07-21

Living a better-feeling life really comes down to one thing only: coming into alignment with the Energy of our Source. Abraham reminds us that we are truly Source Energy focused into our physical bodies, and that a conscious Connection to that Broader Non-Physical part of us is necessary if we are to be the joyful Beings that we were born to be. Abraham calls that wonderful alignment Getting into the Vortex. Through a series of Leading Edge books (New York Times bestsellers), Abraham has emphasized the importance of our conscious alignment with the Source within us. They have

let us know that our natural state of Being is inside our Vortex of Creation in complete alignment with Source Energy—and that every aspect of our physical experience reflects our alignment with, or resistance to, that Connection. Everything—from the physical well-being of our bodies, the clarity of our minds, and the abundance we allow to flow, to the satisfaction in every relationship we experience—is impacted by our all-important relationship with our Vortex. Abraham has helped us to understand that our dominant intent in every day is to get into the Vortex! And now, they have lovingly and specifically guided

Jerry and Esther Hicks in the creation of an innovative and valuable tool that promises to get us into the Vortex right now . . . and that tool is enclosed in the Getting into the Vortex User Guide in the form of a 70-minute audio download. This unique recording contains four powerfully guided daily meditations that have been designed to get you into the Vortex of Creation in four basic areas of your life: • General Well-Being • Financial Well-Being • Physical Well-Being • Relationships. Jerry and Esther are thrilled to offer this powerful, first-of-its kind, musically scored, breath-enhancing, user-friendly tool from Abraham that

will get you into the Vortex.

describes the systematic and

Until you know what has been done to you – until you know what parts of society are harmful to you and to your spiritual evolution – you are stuck. “Western civilization has been manipulated for a very, very long time into negative, low-frequency manifestations and structures of control, limitation, fear, and judgment.
