A Walk Through the Dark - Eva Piper 2013-08-06

One day Eva Piper was an elementary school teacher, the mother of three, the beloved wife of a strong, protective husband. The next day she stood at the bedside of a broken man who could do nothing but moan in agony and turn his head away from her. Later she would learn that he had

died and actually experienced heaven before being prayed back to life—a true miracle. Don Piper’s testimony, told in the New York Times bestseller *90 Minutes in Heaven*, would one day bring hope to thousands. But all that was in the future. Despite family and friends who kept vigil with her, Eva Piper found herself essentially alone. Walking in the dark. And she had always hated the dark. Though it parallels that of her husband, Eva Piper’s account is quite different from his. It takes readers not to heavenly places but through a very earthly maze of hospital corridors, insurance forms, tiring commutes from

home to workplace and hospital, and lonely hours of waiting and worrying. This is the story of a woman learning, step by darkened step, to go places she never thought she could go and growing into a person she never thought she could be. Packed with hard-earned wisdom about what it means to be a caregiver, to open yourself to the care of others, and to rest in God’s provision, this book provides a dependable source of light to help you walk through the dark.

I Saw the Glories of Heaven - Gary Wood

2018-04-03

On December 23, 1966, eighteen-year-old Gary Wood was driving with his younger sister Sue along a dark street in their hometown. They were heading home singing Christmas songs when Sue spotted an illegally-parked tow truck sticking out into their lane of traffic. Her scream pierced the night only a moment before the car crashed headlong into the obstruction. In the accident, Gary suffered a mid-face injury with laryngeal fractures—his vocal cords and voice box were

completely shattered. Doctors offered no hope that Gary would ever talk again. What the doctors didn't realize, however, was that in the aftermath of the accident, Gary was given the miraculous experience of spending twenty minutes in heaven. While there, Gary witnessed sights such as the city of heaven; the grand auditorium; the spare parts room; and the Throne Room, as well as his very own personal mansion. He was also given ten amazing signs regarding Christ's ultimate return. At the end of his time in heaven, Gary was commissioned to spend the rest of his time on earth telling his story and making Jesus real

for people. God miraculously healed Gary and promised him that wherever he told his story, people would be saved, healed, and delivered. In the years that followed, Gary became a world-renowned evangelist, all while thanking God for his inspired life.

[My Journey to Heaven](#) - Marvin J. Besteman

2012-09-01

On April 28, 2006, as he lay in his hospital bed in Ann Arbor, Michigan, visions of celestial beauty were the last thing on Marv Besteman's mind. He had just had surgery to remove a rare pancreatic tumor. It was after visiting hours and his family

had left for the day. Alone and racked with pain, Marv tossed and turned, wanting more than anything else to simply sleep and escape the misery and discomfort for a while. The retired banker, father, and grandfather had no idea he was about to get a short reprieve in the form of an experience he never could have imagined. In *My Journey to Heaven*, Marv Bestman shares the story of his experience of heaven with astounding detail. Readers will hear of his encounters with angels who accompanied him to the gate, his conversation (argument, really) with St. Peter, and his recognition of friends and family members

who touched his life. His story offers peace, comfort, and encouragement to those who have lost loved ones and gives security and solace to those who are grieving, dying, or wonder about the afterlife. Marv believed God sent him back to earth to fulfill this mission of comfort and reminds readers that God has work for each of us to do before he calls us to be with him in heaven.

Secure in his belief that his book was the fulfillment of his own mission, Marv returned to heaven in January 2012.

Heaven Is for Real - Todd Burpo 2016-07-11

A young boy emerges from life-saving surgery with remarkable stories of his visit to heaven.

Heaven Is for Real is the true story of the four-year old son of a small town Nebraska pastor

who during emergency surgery slips from consciousness and enters heaven. He survives and begins talking about being able to look down and see the doctor operating and his dad praying in the waiting room. The family didn't know what to believe but soon the evidence was clear.

Colton said he met his miscarried sister, whom no one had told him about, and his great grandfather who died 30 years before Colton was born, then shared impossible-to-know details about each. He describes the horse that only Jesus could ride, about how "reaaally big" God and his chair are, and how the Holy Spirit "shoots down power"

from heaven to help us. Told by the father, but often in Colton's own words, the disarmingly simple message is heaven is a real place, Jesus really loves children, and be ready, there is a coming last battle.

No Country for Old Men - Cormac McCarthy

2007-11-29

From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road* comes a "profoundly disturbing and gorgeously rendered" novel (*The Washington Post*) that returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when

rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and

broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. No Country for Old Men is a triumph. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

90 Minutes in Heaven - Don Piper 2004

My Descent Into Death - Howard Storm

2005-02-15

Not since Betty Eadie's *Embraced by the Light* has a personal account of a Near-Death Experience (NDE) been so utterly different from most others—or nearly as compelling. "This is a book you devour from cover to cover, and pass on to others. This is a book you will quote in your daily conversation. Storm was meant to write it and we were meant to read it." —from the foreword by Anne Rice In the thirty years since

Raymond Moody's *Life After Life* appeared, a familiar pattern of NDEs has emerged: suddenly floating over one's own body, usually in a hospital setting, then a sudden hurtling through a tunnel of light toward a presence of love. Not so in Howard Storm's case. Storm, an avowed atheist, was awaiting emergency surgery when he realized that he was at death's door. Storm found himself out of his own body, looking down on the hospital room scene below. Next, rather than going "toward the light," he found himself being torturously dragged to excruciating realms of darkness and death, where he was physically

assaulted by monstrous beings of evil. His description of his pure terror and torture is unnerving in its utter originality and convincing detail. Finally, drawn away from death and transported to the realm of heaven, Storm met angelic beings as well as the God of Creation. In this fascinating account, Storm tells of his "life review," his conversation with God, even answers to age-old questions such as why the Holocaust was allowed to take place. Storm was sent back to his body with a new knowledge of the purpose of life here on earth. This book is his message of hope.

Sheltering Mercy - Ryan Whitaker Smith

2022-02-08

Sheltering Mercy helps us rediscover the rich treasures of the Psalms--through free-verse prayer renderings of their poems and hymns--as a guide to personal devotion and meditation. The church has always used the Psalms as part of its prayer life, and they have inspired countless other prayers. This book contains 75 prayers drawn from Psalms 1-75, providing lyrical sketches of what authors Ryan Smith and Dan Wilt have seen, heard, and felt while sojourning in the Psalms. While each prayer corresponds to a particular psalm and touches on its themes and ideas, it is not a new translation of the Psalms or

an attempt to modernize or contextualize their content or language. Rather, the prayers are responses to the Psalms written in harmony with Scripture. These prayers help us quiet our hearts before God and welcome us into a safe place amid the storms of life. This artful, poetic, and classic devotional book features compelling custom illustrations and beautiful hardcover binding, offering a fresh way to reflect on and pray the Psalms.

Imagine Heaven - John Burke 2015-10-13

It's obvious from the bookshelves and the big screen that heaven is on everyone's mind. All of us long to know what life after death will be like. Bestselling author John Burke is no exception.

For decades, he has been studying accounts of people who have had near-death experiences (NDEs). While not every detail of individual NDEs correlate with Scripture, Burke shows how the common experiences shared by thousands of survivors clearly point to the God of the Bible and the exhilarating picture of heaven he promises. *Imagine Heaven* is an inspirational journey through the Bible's picture of heaven, colored in with the real-life stories of heaven's wonders. Burke compares gripping stories of NDEs to what Scripture says about our biggest questions of heaven: Will I be myself? Will I see friends and

loved ones? What will it look like? What is God like? What will we do forever? What about children and pets? This book will propel readers into an experience that will forever change their view of the life to come and the way they live life today. It also tackles the tough questions of heavenly reward and hellish NDEs. Anyone interested in NDEs or longing to imagine heaven more clearly will enjoy this fascinating and hope-filled book.

Why I Love the Apostle Paul - John Piper
2019-01-17

"Besides Jesus, no one has kept me from

despair, or taken me deeper into the mysteries of the gospel, than the apostle Paul." —John Piper

No one has had a greater impact on the world for eternal good than the apostle Paul—except Jesus himself. For John Piper, this impact is very personal. He does not just admire and trust Paul. He loves him. Piper gives us thirty glimpses into why his heart and mind respond this way. Can a Christian-killer really endure 195 lashes from a heart of love? Can a mystic who thinks he was caught up into heaven be a model of lucid rationality? Can an ethnocentric Jew write the most beautiful call to reconciliation? Can a person

who lives with the unceasing anguish of empathy be always rejoicing? Can a man's description of the horrors of human sin be exceeded by his delight in human splendor? Can a man with a backbone of steel be as tender as a nursing mother? If we know this man—if we see what Piper sees—we too will love him. Paul's testimony is a matter of life and death. Piper invites you into his relationship with Paul in the hope that you will know life, forever.

a Heaven is for Real Deluxe Edition - Todd Burpo
2011-10-31

#1 New York Times bestseller with more than 11

million copies sold! When 4-year-old Colton Burpo emerges from life-saving surgery with remarkable stories of his visit to heaven, his family doesn't know what to believe. *Heaven is For Real* details what Colton saw and his family's journey towards accepting their young son had visited the afterlife. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." Colton told his parents he left his body during an emergency surgery—and proved that claim by describing exactly what his parents were doing in another part of the hospital during his operation.

He talked of visiting heaven and described events that happened before he was born and how he spoke with family members he'd never met. Colton also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, even though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton recounts his visit to heaven, describing: Meeting long-departed family members Jesus, the angels, how "really, really big" God is, and how much God loves us How Jesus called Todd, Colton's father, to be a pastor

The Battle of Armageddon Retold by his father, but using Colton's uniquely simple words, Heaven Is for Real offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." Heaven Is for Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Praise for Heaven is for Real: "A beautifully written glimpse into heaven that will encourage those who doubt and thrill those who believe."

Called to Reconciliation - Jonathan C. Augustine

2022-02-08

Nationally recognized speaker and church leader Jay Augustine demonstrates that the church is called and equipped to model reconciliation, justice, diversity, and inclusion. This book develops three uses of the term "reconciliation": salvific, social, and civil. Augustine examines the intersection of the salvific and social forms of reconciliation through an engagement with Paul's letters and uses the Black church as an exemplar to connect the concept of salvation to social and political movements that seek justice for those marginalized by racism, class structures, and

unjust legal systems. He then traces the reaction to racial progress in the form of white backlash as he explores the fate of civil reconciliation from the civil rights era to the Black Lives Matter movement. This book argues that the church's work in reconciliation can serve as a model for society at large and that secular diversity and inclusion practices can benefit the church. It offers a prophetic call to pastors, church leaders, and students to recover reconciliation as the heart of the church's message to a divided world. Foreword by William H. Willimon and afterword by Michael B. Curry.

A Sweet and Bitter Providence - John Piper

2009-12-21

Sex. Race. Scripture. Sovereignty. The book of Ruth entails them all. So readers shouldn't be fooled by its age, says Pastor John Piper. Though its events happened over 3,000 years ago, the story holds astounding relevance for Christians in the twenty-first century. The sovereignty of God, the sexual nature of humanity, and the gospel of God's mercy for the undeserving-these massive realities never change. And since God is still sovereign, and we are male or female, and Jesus is alive and powerful, A Sweet and Bitter Providence bears a message for readers from all walks of life. But be warned, Piper tells his

audience: This ancient love affair between Boaz and Ruth could be dangerous, inspiring all of us to great risks in the cause of love.

My Time in Heaven - Richard Sigmund

2009-12-14

Is there life after death? After a tragic accident, doctors pronounced Richard Sigmund legally dead. Eight hours later, God miraculously brought him back to life on the way to the morgue. During those hours, God allowed him to experience the glorious beauty, heavenly sounds, sweet aromas,

and boundless joys of heaven that await every believer. God then returned him back to earth with a mission to tell the world what he saw. You will thrill to Sigmund's eyewitness accounts of strolling down heaven's streets of gold, seeing angels playing with children, talking with Jesus, meeting with people from the Bible, as well as departed family and friends, seeing the mansions, and much more! Through Sigmund's testimony, God restored sight to the blind, hearing to the deaf, and even raised several people from the dead. Also, glimpse into the horrifying reality of "the other place"—a place where no one wants to

go.
