Jacob's Ladder - Peter Kreeft 2013-01-31

There are ten important questions everyone should ask; ; and the answers to these questions, which lead to

ultimate ; truth, are a matter of reason, not of faith. Well-known Catholic philosopher and writer Peter ; Kreeft tackles each of these questions in a logical ; step-by-step way, like climbing the rungs of a ladder. ; Because questions are best answered by dialogue, Kreeft ; answers these fundamental questions in an imaginary ; conversation between two very different people who meet at ; the beach. Kreeft's characters begin at the ; beginning, at the bottom of the ladder, which is the ; passion for truth. When it comes to the most important ; questions a person can ask, no mere interest in ; philosophical dabbling will do. The passion for truth does ; not stop there, however, but carries the reader from one ; page to the next in this thought-provoking adventure of the ; mind. Among the topics, or "steps", that ; Kreeft's characters delve into include: Do you ; have the passion to know? Does truth ; exist? What is the meaning of life? What ; is love, and why is it so important for our ; lives? If there is a God, what proof is there for ; his existence? Has God revealed himself to us in a ; personal way? And many other important ; questions and topics to help climb the ladder to the truth ; about life.

The Beast of Boggy Creek - Lyle Blackburn 2013-08

For more than a century, reports of a strange beast known as the Fouke Monster have circulated among the locals in southern Arkansas. Described as a large, hairy man-like creature, it's said to haunt the vast Sulphur River Bottoms as it travels the secluded waterway known as Boggy Creek. Over the years, the creature has been seen by numerous witnesses including respected citizens, experienced hunters, famous musicians, and even a police officer. The encounters were often so shocking, they served as inspiration for the classic horror film, "The Legend of Boggy Creek," by Charles B. Pierce. Tales of the creature have long existed in scattered pieces across news clippings, memoirs, police reports, and movies, but it is only now that the complete history of the Fouke Monster has been assembled in one place. This book collects all the facts, theories, and amazing sighting reports, and weaves them into a fascinating tale about this undeniable southern mystery, one that lives on, as frightening encounters with the Beast of Boggy Creek are still being reported today! Growing up in Texas, Lyle Blackburn became fascinated with the legends, lore, and sighting reports of alleged real-life monsters. He is a frequent contributor and cryptozoology advisor to Rue Morgue magazine, one of the leading horror media publications in print today. He is also the founder and frontman for the rock band Ghoultown. Over the last decade, Ghoultown has released six albums, toured extensively in both the U.S. and Europe, and has appeared on several horror movie soundtracks. Washed and Waiting - Wesley Hill 2016-09-13

Wesley Hill's personal experiences and biblical reflections offer insight into how a nonpracticing gay Christian can "prove, live out, and celebrate" the grace of Christ and the power of the Holy Spirit. For many who are on this path, it's a lonely one. The reality of loneliness and isolation of the celibate homosexual Christian is something that Hill lives and takes seriously in his pursuit of the gospel-centered life. To those on a similar journey, it's often a life of uncertainties and questions. In *Washed and Waiting*, Hill explores the three main struggles that have been part of his daily effort to live faithfully: What exactly does the gospel demand of gay and lesbian Christians, and how can it enable them to fulfill its commands? How do Christians who experience homoerotic desires live with the loneliness such desires entail? Is there any relief for it? What comfort does the gospel offer? Can those of us who struggle with homosexuality please God and truly experience his pleasure in the midst of sexual brokenness? Interspersed throughout these main sections are character sketches and stories of people who have experienced this journey's trials and triumphs. Hill offers wise counsel that is biblically faithful, theologically serious, and oriented to the life and practice of the church. As a celibate gay Christian, he gives us a glimpse of what it looks like to wrestle firsthand with God's "No" to same-sex sexual intimacy and contemplate serious and difficult questions.

Men Are Better Than Women - Dick Masterson 2008-04-08

Through a process of exhaustive man research he calls "keeping his eyes open," Dick Masterson has compiled a Magnum-size list of the ways men are better than women. It is an infallible compendium of man's greatness, filled with the most egregiously fallacious arguments ever put to words, but with some kind of miraculous, rock-solid man logic dripping like motor oil from every sentence. It is a manifesto more memorable than bullshit like High Fidelity or which Axe baby powder Maxim thinks you should slap on your nuts before clubbing, more chock-full of devastating man quotes than Oscar Wilde

with two wangs. Most important, it is the only one of its kind. In *Men Are Better Than Women*, Dick Masterson dispenses logic from his man mouth into the eyes of his male readers like some kind of mighty mother man eagle with nutrient-rich word vomit. It's a book that makes you feel like driving a train into a dynamite factory and then tearing a telephone book apart with your bare hands, just because that's the way men have always done it. Masterson's chapters are simple and self-contained, demand no commitments from readers, and have an immediate payoff. *Men Are Better Than Women* is a dangerous work of satire -- not dangerous in a revolutionary sense, but dangerous in that it walks the razor-thin line between cruelty and absurdity. That line is called hilarious.

The Cleansing of America - W. Cleon Skousen 2011

Dr. W. Cleon Skousen spent the majority of his life researching the gospel, the U.S. Constitution, the founding of America and writing numerous books and articles on the topic. He is also one of the most well-known, respected defenders of America and the gospel the world has ever known. At the time of his passing in 2006, his work was not yet finished. His book *The Cleansing of America*, written in 1994 and given into the care and keeping of his sons, is now being brought forth for the first time ever. Included in these pages are the events and stages the Lord has predicted, through his servants, the winding-up scenes of this world. It helps the reader understand: the nature of prophecy, the known chronology of prophetic events, and the importance of staying close to the Lord and his prophets during the difficult and challenging years prior to the Second Coming. We are fast approaching those prophetic events. Some are upon us even now. If we are prepared and obedient, we need not fear these events, but rather embrace them for the blessings they portend.

Awakening the Heroes Within - Carol S. Pearson
2012-07-31

"The heroic quest is about saying 'yes' to yourself and in so doing, becoming more fully alive and more effective in the world. . . . The quest is replete with dangers and pitfalls, but it offers great rewards: the capacity to be successful in the world, knowledge of the mysteries of the human soul, and the opportunity to find and express your unique gifts in the world." In this bold and original work, Carol S. Pearson shows that the heroic quest isn't just for certain people under special circumstances. Exploring the many heroic paths available to each of us, at every point in our lives, her innovative program enables us to live heroically by activating and applying twelve archetypes in our lives. This companion to the bestselling *The Hero Within* outlines twelve archetypal patterns that can aid inner development and the quest for wholeness. These archetypes are inner guides that can help us prepare for the journey, by learning how to become successful members of society; embark upon the quest, by becoming initiated into the mysteries of the human soul; and return to transform our lives as a result of claiming our uniqueness and personal power. Writing for individuals seeking to realize their full potential and professionals engaged in empowering others, Pearson shows how journeys differ by the age, gender, and cultural background of the seeker, and how archetypes help awaken the capacities of our psyches. A unique diagnostic test, the Heroic Myth Index, and exercise are included to help us understand and awaken our inner guides.

Finding God in It's A Wonderful Life - Greg

Asimakoupoulos 2012

The film classic, "It's a Wonderful Life," named the most inspirational American film ever produced, has entertained and inspired millions of viewers since its release in 1946. In fact, many families make watching this story of George Bailey an annual, Christmas tradition. Now pastor and author Greg Asimakoupoulos has taken the movie's message a step further with a new book Finding God in "It's a Wonderful Life." The film was not made as a religious piece at all, but, as Greg asserts and proves, we can see God at work in every scene. And he shows us how, in chapters such as "Broken Banister Knobs," "Learning to Dance with Adversity," "Reclaiming 320 Sycamore Street," "When God Sends an Angel instead of Money," "Saving Harry Bailey," "Suffering When It's Not Your Fault," and so much more. Each chapter highlights an important movie scene, relationship, or theme and makes a spiritual point. Even those who haven't seen the film will understand the plot as Greg describes it, and people who know the movie so well they can recite the dialogue will find themselves nodding in agreement, appreciating Greg's thoughtful insights. The chapters are concise and written in an engaging style--an easy read. And each one concludes with "Questions for Reflection." These questions can be helpful for individuals, of course, but will also be ideal for group discussions.

He guides us through controversies in the historical record, among them the haunting question of whether the Anasazi committed acts of cannibalism. A new novel by Karen Cushman

Kissing Fish - Roger Wolsey 2011-01-10

Christianity receives a lot of attention in the media, but the most frequently discussed version represents a type of Christianity that sometimes turns people away from the Church. *Kissing Fish* presents a postmodern systematic theology of progressive Christianity, a growing movement that reclaims the radical message of the Gospel. This informative, contemplative, and entertaining book will guide you through the beliefs that inspire us to love one another in the transformative way that Jesus proclaimed, including practices that will take your faith to a new level. *Kissing Fish* is a scholarly yet thoroughly accessible introduction to progressive Christianity. While the intended target audience for this work would seem to be those who have either left the Christian faith or never adopted it at all; the work is filled with pearls of wisdom for all of us, whether associated with

Christianity or not. *Kissing Fish* is a truly remarkable work, serving both as a reminder of the beauty and grace that form the central tenets of the faith, while offering a graceful yet prophetic rebuttal to its more exclusionary tendencies. *Kissing Fish* is part theological text and part tell-all personal spiritual journey. Imagine a down-to-earth combination of the works of Marcus Borg, Anne Lamott, Jim Wallis, Rob Bell, Shane Claiborne, Diana Butler-Bass, Brian McLaren, Walter Wink, Wes Howard-Brook, and Donald Miller. A profound romp that informs and inspires.
