**Legends of Vancouver** - E. Pauline Johnson 1922

"These legends (with two or three exceptions) were told to me personally by my honored friend, the late Chief Joe Capilano, of Vancouver, whom I had the privilege of first meeting in London in 1906, when he visited England and was received at Buckingham Palace by their Majesties King Edward VII and Queen Alexandra. To the fact that I was able to greet Chief Capilano in the Chinook tongue, while we were both many thousands of miles from home, I owe the friendship and the confidence which he so freely gave me when I came to reside on the Pacific coast. These legends he told me from time to time, just as the mood possessed him, and he frequently remarked that they had never been revealed to any other English-speaking person save myself."--Author's pref.

*Dead Man's Island* - David McDine 2018-02-26

Dead Man's Island in the rain was as God-forsaken a place as you could find anywhere on earth. Following the successful capture of the Normandy privateer Égalité, Lieutenant Oliver Anson is appointed by Commodore Home Popham to command the Seagate Sea Fencibles. Moreover, the Commodore has implied that there may be a clandestine nature to Anson's new duties...

However, when the Commodore summons Anson to Dead Man's Island, it is to find the Commodore absent. Forgoing any explanation, Anson is required to witness the funeral of a Frenchman from a hulk. Hoping that Captain Matthew Wills will be able to provide some explanation as to his being there, Anson is only further mystified when Wills arranges for the Lieutenant to visit the hulk of the officer whose funeral he has just attended. With promises that the full picture shall soon reveal itself, the lieutenant embarks once more. David McDine, OBE, is a former Admiralty information officer, Royal Navy Reserve officer and Deputy Lieutenant of Kent, and the author of *Unconquered: The Story of Kent and its Lieutenancy*. He also wrote *The Normandy Privateer*, another naval adventure featuring Lieutenant Oliver Anson, and the series prequel *Strike the Red Flag*.

But with three dead bodies and a voodoo priest, I had a hard time concentrating on sightseeing. It seemed superstitious to me, since nobody could solve the puzzling cause of their deaths. So with the assistance of my own lovely native doll, I had my work cut out for me--and that was simply managing to evade the long voodoo needle that was destined for my heart!" Honored with the Life Achievement Award by the Private Eye Writers of America! *Dead Man's Walk* is the 29th book in the Shell Scott Mysteries, but you may enjoy reading the series in any order.

Island of Dead Gods - Verena Mahlow 2021-07-20

An island in the Mediterranean, a traveler's dream destination, and a nightmare for those involved in a deep-rooted crime. Philine, interpreter, single mother, and bankrupt, is forced to sell

her one asset, her beloved cottage on Ibiza, when she runs into even more problems: her best friend has disappeared, a fire breaks out-and, on top of all, she is confronted with Adam, a man she, for good reason, never wanted to see again. He'd flown in from Texas to bury his sister, who supposedly committed suicide on the island, though he suspects she was murdered. When a connection between her death, Phil's disappeared friend, and more fatalities are revealed, the two ex-lovers reluctantly collaborate. "Verena Mahlow's Island of Dead Gods combines a meticulously constructed international thriller with her extensive personal exploration of Ibiza, long a magnet for bohemians, speculators and sybarites of all nationalities. Mahlow's intelligently devised, twisting plot includes much local color-cuisine, ancient sites, modern ambience-and diverse characters, an arcane coterie of goddess-worshipping proto-feminists and men treating themselves to easy, sleazy sex. Mahlow deftly moves these players toward an unexpected, explosive climax." Barbara Bamberger Scott, A Woman's Write

**Dead Men Working in the Cane Fields (Fantasy and Horror Classics)** - W. B. Seabrook 2012-10-19

A lesser-known figure of America's Lost Generation, Seabrook was a prolific traveller and author. 'Dead Men Working in the Cane Fields' is an excerpt from his 1929 book The Magic Island, a folklore-tinged travelogue about Haiti. Therefore, the stories he reproduces are midway between fact and fiction. Many of these zombie stories, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**Dead Man in Paradise** - J.B. MacKinnon 2009-07-01

At nightfall on June 22, 1965, a soldier walked in from the outskirts of a small town in the Dominican Republic and reported that he had just shot and killed two policemen and an outspoken Canadian Catholic priest. It was the opening scene in a mystery that, forty years later, compels J.B. MacKinnon, a nephew of the murdered missionary, to investigate what many believe was a carefully plotted assassination. MacKinnon's search takes him to corners of the country that are far from the paradise seen by millions of tourist visitors. He meets with former revolutionaries, shadowy generals who live in hiding and the struggling Dominicans for whom the dead priest is a martyr, perhaps even a saint. Dead Man in Paradise is a true story with the suspense of a classic mystery novel, the immediacy of reportage and the insight of a travelogue. More than any of these, it is a personal examination of one of the gravest challenges of our times: finding a balance between our longing to hold the guilty to account for their crimes and the deep human need to forgive.

*Dead Man's Chest* - Roger L. Johnson 2010

Dead Man's Chest is a classic pirate yarn that begins with long John Silver's escape from the merchantman Hispaniola at Peurta Plata and culminates with the American Revolution more than a decade later. It describes in rich detail the unholy alliance formed between this soft-hearted cut-throat, his teenage nephew, David Noble, and the slaver-turned-merchant captain, John Paul Jones to retrieve a king's ransom of Spanish gold and jewels from Dead Man's Chest; the other two-thirds of the treasure described in Stevenson's novel, and the inspiration for the sailor's ballad by the same name. Dead Man's Chest explains how the Scottish fugitive John Paul Jones earned a naval commission. More importantly, the novel illuminates a hitherto unknown thirty-month period in John Paul's career. From November 1773 when

he killed a mutineer to June 1775 when he received his naval commission in Philadelphia from Thomas Jefferson. Learn how the contract that he and John Silver made with the American founding fathers impacted the lives of the Colonists and ultimately helped win America's freedom from Mother England.
