

# A Case For Historic Premillennialism An Alternative To

Yeah, reviewing a books **A Case For Historic Premillennialism An Alternative To** could grow your near contacts listings. This is just one of the solutions for you to be successful. As understood, feat does not suggest that you have astonishing points.

Comprehending as competently as accord even more than further will offer each success. next-door to, the revelation as competently as insight of this A Case For Historic Premillennialism An Alternative To can be taken as competently as picked to act.

**Afro-Pentecostalism** - Amos Yong 2011-05-16  
In 2006, the contemporary American Pentecostal movement celebrated its 100th birthday. Over that time, its African American sector has been markedly influential, not only vis-à-vis other branches of Pentecostalism but also throughout the Christian church. Black Christians have been

integrally involved in every aspect of the Pentecostal movement since its inception and have made significant contributions to its founding as well as the evolution of Pentecostal/charismatic styles of worship, preaching, music, engagement of social issues, and theology. Yet despite its being one of the

fastest growing segments of the Black Church, Afro-Pentecostalism has not received the kind of critical attention it deserves. Afro-Pentecostalism brings together fourteen interdisciplinary scholars to examine different facets of the movement, including its early history, issues of gender, relations with other black denominations, intersections with popular culture, and missionary activities, as well as the movement's distinctive theology. Bolstered by editorial introductions to each section, the chapters reflect on the state of the movement, chart its trajectories, discuss pertinent issues, and anticipate future developments. Contributors: Estrelida Y. Alexander, Valerie C. Cooper, David D. Daniels III, Louis B. Gallien, Jr., Clarence E. Hardy III, Dale T. Irvin, Ogbu U. Kalu, Leonard Lovett, Cecil M. Robeck, Jr., Cheryl J. Sanders, Craig Scandrett-Leatherman, William C. Turner, Jr., Frederick L. Ware, and Amos Yong

*Revelation* - 1999-01-01

The final book of the Bible, Revelation prophesies

the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

**The Prophecy of Isaiah** - J. Alec Motyer  
2015-11-11

Recipient of a Christianity Today 1994 Critics Choice Award Among Old Testament prophetic books no other equals Isaiah's brilliance of style and metaphor, its arresting vision of the Holy One of Israel and its kaleidoscopic vision of God's future restoration of Israel and the world. Now, after over three decades of studying and teaching Isaiah, Alec Motyer presents a wealth of commentary and perspective on this book. His emphasis is on the grammatical, historical, structural, literary and theological dimensions of the text. Though based on the Hebrew text, his exposition easily accomodates readers without a working knowledge of biblical Hebrew. And he

writes with an interest in Isaiah's meaning for Christians today. Along the historical timeline on which the Isaianic prophecies are strung, Motyer finds three central and recurring themes: the messianic hope, the motif of the city and the theology of the Holy One of Israel. Moreover, he argues, the Isaianic literature is organized around three messianic portraits: the King (Isaiah 1-37), the Servant (Isaiah 38-55) and the Anointed Conqueror (Isaiah 56-66). Preachers, teachers and serious Bible students of all types will find this commentary a wise, winsome and welcome guide to the prophecy of Isaiah. It may easily be the best one-volume evangelical commentary on Isaiah available today.

**Future Israel** - Barry E. Horner 2007

Future Israel: Why Christian Anti-Judaism Must Be Challenged is volume three in the NEW AMERICAN COMMENTARY STUDIES IN BIBLE & THEOLOGY (NACSBT) series for pastors, advanced Bible students, and other deeply committed laypersons. Author Barry E. Horner

writes to persuade readers concerning the divine validity of the Jew today (based on Romans 11:28), as well as the nation of Israel and the land of Palestine, in the midst of this much debated issue within Christendom at various levels. He examines the Bible's consistent pro-Judaic direction, namely a Judeo-centric eschatology that is a unifying feature throughout Scripture. Not sensationalist like many other writings on this constantly debated topic, Future Israel is instead notably exegetical and theological in its argumentation. Users will find this an excellent extension of the long-respected NEW AMERICAN COMMENTARY.

**The Basis of the Premillennial Faith** - Charles Caldwell Ryrie 2005-01-01

Are you looking forward with expectation? Although premillennialism continues to be popular today, it is by no means a new doctrine. Rather, because of its solid foundation in biblical truth, premillennialism has been a prominent system of interpretation throughout church

history. Dr. Ryrie begins this book by introducing systems of interpretation and their vital importance in studying prophecy. He then proceeds to trace how premillennialism has its basis in history, hermeneutics, the Abrahamic covenant, Davidic covenant, new covenant, ecclesiology, and eschatology. Whether you are new to premillennialist teaching, or whether you are interested in a more systematic understanding of its basis in scripture, the contents of this book will clarify, instruct, and inspire. - Back cover.

**A Handbook of New Testament Exegesis** - Craig L. Blomberg 2010-11-01

This handbook provides a one-stop-shopping guide to the New Testament exegetical method. Brief and approachable, it offers both a broad overview of the exegetical process and a step-by-step approach to studying the New Testament in depth, helping students and pastors understand the text and appropriate it responsibly. The book is chock-full of illustrations of New Testament

texts where the method under discussion truly makes a difference. "A wonderfully clear and accessible handbook for New Testament exegesis. Exegetically rigorous, theologically informed, and practically useful."--Thomas R. Schreiner, Southern Baptist Theological Seminary  
**The Doctrine of the Christian Life** - John M. Frame 2008

The third volume of Frame's Theology of Lordship series, this book focuses on biblical ethics. In an age of ethical relativism and suspicion of authority, how can we know what is good, virtuous, or just? Frame surveys non-Christian ethical traditions before setting forth a solidly Christian ethical method. By clarifying biblical norms, life situations, and personal dimensions, he presents a model for decision making that honors God in all aspects of life. Discussions range from natural law and conflict of duties to detailed explorations of the Ten Commandments in connection with questions surrounding worship, the Sabbath, church and state, respect

for life and truth, sexuality, and the relation of Christ to culture.

Dispensationalism - Charles C. Ryrie 2007-02-01  
Dispensationalism continues to provoke heated debate within the Christian world. Highly acclaimed theologian, Dr. Charles C. Ryrie, addresses this crucial issue from the perspective of classic dispensationalism. He confronts the views of covenant theology, historical premillennialism, ultradispensationalism, and, in this revised edition, the increasingly popular progressive dispensationalism. In his best-selling book, *Dispensationalism Today*, written more than thirty years ago, Dr. Ryrie made this complex subject more understandable for thousands worldwide. This revised and expanded version of that book will prove to be an invaluable reference tool for your library.

*Victorious Eschatology* - Harold R. Eberle 2007-12  
Here it is - a biblically-based, optimistic view of the future. Along with a historical perspective, Harold R. Eberle and Martin Trench present a

clear understanding of Matthew 24 and other key passages about the events to precede the return of Jesus Christ. Satan is not going to take over this world. Jesus Christ is Lord and He will reign until every enemy is put under His feet?

**Vital Issues in the Inerrancy Debate** - F. David Farnell 2016-01-14

The inerrancy of God's Word has been attacked throughout church history. Today's assaults are unique since neo-evangelicals now surrender to post-modernistic ideas of history and historical-critical ideologies that assault this vital doctrine. They seek to redefine the orthodox meaning of inerrancy. Since the signing of the Chicago Statements, troubling signs have once again appeared in recent years among many who either did not fight the battles for the inerrancy of Scripture as did the International Council on Biblical Inerrancy, or who do not remember the troubling times that caused their development. The nature and definition of "inerrancy" are now being changed to include ideas of fallibility.

History is forgotten. The need arises for sounding the alarm for Vital Issues in Inerrancy. Evangelical schools and churches that broke away earlier to defend inerrancy surrender now to academic prestige and scholarly fads instead of faithfulness to God's inerrant Word. The contributors pray that the Lord will raise up a new generation with the spiritual fervency of the International Council on Biblical Inerrancy to uphold the inerrancy of God's Word: Isaiah 40:8-- "The grass withers, the flower fades, But the word of our God stands forever."

### **Rediscovered Early Church Premillennialism**

- Robert Franklin 2014-09-12

Finally! What Christians have searched for since the Reformation-the early church premillennial view of prophecy. It was lost in the dark ages. It was prevented from being researched in the sixteenth century by Reformation wars. Early Church Premillennialism remained lost. Until today! Today, all discovered writings of the earliest church fathers have been compiled in the

ten-volume collection The Ante-Nicene Fathers, Translations of the Writings of the Fathers Down to A.D. 325. Gleaned from almost a hundred quotations from these early church writings, you will discover in this book what those who lived closest to Christ's disciples taught about: The Rapture of the Church Signs that Precede Christ's Return (are they now unfolding?) The Tribulation (they interpreted it differently than today) The Antichrist (their insights into this coming evil world leader) The Wrath of the Lamb Armageddon The Millennium The New Heaven and New Earth . . . and much more . . . You will find how simple Bible prophecy is when interpreted as the earliest church fathers knew how to interpret it. Get your copy of Rediscovered Early Church Premillennialism: Teachings of the Earliest Church Fathers on Prophecy today!

[Jesus on Every Page](#) - David Murray 2013-08-27  
Join author and minister David Murray as he introduces you to Jesus through the lens of the

Old Testament. When you think of a son trudging uphill, carrying wood for his own sacrifice because his father has decided to give him up to death, what biblical event does this bring to mind? Is it Abraham and Isaac in Genesis 22, or is it Christ's passion in the Gospels of Matthew, Mark, Luke, and John? The kinship between these two stories is deeper than mere coincidence, and the similarities don't end there. In fact, Murray argues that Christ isn't just present in the story of Abraham and Isaac--he's present on every page of the Old Testament. In *Jesus on Every Page*, Dr. Murray guides the reader down his own Road to Emmaus, describing how the Scriptures were opened to him, revealing Jesus from Genesis 1 all the way through Revelation 22. Dr. Murray shares his ten simple ways to seek and find Christ in the Old Testament, diving deep into: Christ's planet--discovering Jesus in the story of Creation Christ's people--discovering Jesus in the characters of the Old Testament Christ's promises--discovering Jesus in the covenants of

the Old Testament Recognizing Jesus in the full breadth of scripture is important for every Christian. In this step-by-step guide to discovering Jesus in the Old Testament, Dr. Murray provides a framework that will help you start practicing this wonderful way of enjoying Jesus throughout the Bible. Whether you are preaching Jesus through Old Testament readings or just beginning to discover the reality of Christ in the Old Testament, *Jesus on Every Page* is an accessible guide to getting to know the Old Testament for what it truly is: full of Jesus.

**The Meaning of the Millennium** - Robert G. Clouse 1977-04-01

Robert G. Clouse brings together four scholars to debate various views on the millennium: George Eldon Ladd, Herman A. Hoyt, Loraine Boettner and Anthony A. Hoekema.

[The Late Great Planet Earth](#) - Hal Lindsey 2016-10-11

The impact of *The Late Great Planet Earth* cannot be overstated. The New York Times called it the

"no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate,

dying planet.

**A Case for Premillennialism** - Donald K. Campbell 1992

Premillennialism is not a fundamental doctrine of evangelical faith. For example, the Bible certainly does not set it forth in the same unequivocal terms or give it the same central position that the deity of Christ, the vicarious atonement, or the second coming have. Yet to many evangelicals, premillennialism is not merely what the Bible teaches on some minor point. It has a special significance of its own among the "loci" of Christian faith. This view has increased immensely during the last century .... The cause of this relatively sudden shift toward premillennialism has never been adequately explained. Several factors certainly influenced it, such as the vastly increased depth of Bible study ..., the hermeneutical shift in churchly interpretation with its emphasis on the natural meaning of a passage in the context of the history and culture in which it was first given ...,

and modern studies of the early church (which seem) to show it was not really amillennial but premillennial ... This book seeks to set forth in ... comprehensive fashion the biblical basis for premillennialism and its significance for evangelical faith.

**The Blessed Hope** - George Eldon Ladd 1956  
Jesus Christ is coming again! That is the Blessed Hope which has since the earliest days of the Church energized Biblical Christians looking for the full revelation of God's redemption. The author sketches the history of interpretations of Christ's second coming and then carefully and lucidly examines the Biblical passages on which this doctrine is based. His conclusion is that the Blessed Hope is the second coming of Jesus Christ, not a pretribulation rapture that believers in a secret coming of Jesus. Yet he concludes that there should be liberty and charity within the Christian community for all who hold to the expectation of "the blessed hope and appearing in glory of our great God and Saviour Jesus

Christ."

### **Survival and Resistance in Evangelical**

**America** - Crawford Gribben 2021-02-23

Over the last thirty years, conservative evangelicals have been moving to the Northwest of the United States, where they hope to resist the impact of secular modernity and to survive the breakdown of society that they anticipate. These believers have often given up on the politics of the Christian Right, adopting strategies of hibernation while developing the communities and institutions from which a new America might one day emerge. Their activity coincides with the promotion by prominent survivalist authors of a program of migration to the "American Redoubt," a region encompassing Idaho, Montana, parts of eastern Washington and Oregon, and Wyoming, as a haven in which to endure hostile social change or natural disaster and in which to build a new social order. These migration movements have independent origins, but they overlap in their influences and aspirations, working in

tandem to offer a vision of the present in which Christian values must be defended as American society is rebuilt according to biblical law. This book examines the origins, evolution, and cultural reach of this little-noted migration and considers what it might tell us about the future of American evangelicalism. Drawing on Calvinist theology, the social theory of Christian Reconstruction, and libertarian politics, these believers are projecting significant soft power. Their books are promoted by leading mainstream publishers and listed as New York Times bestsellers. Their strategy is gaining momentum, making an impact in local political and economic life, while being repackaged for a wider audience in publications by a broader coalition of conservative commentators and in American mass culture. This survivalist evangelical subculture recognizes that they have lost the culture war - but another kind of conflict is beginning.

Understanding the End Times - Bob Yandian

2013-05-13

Understanding the End Times was never intended to be a book describing world conditions to predict the closeness of the appearing of Jesus for His Church. Many books have come and gone written with the purpose of comparing world events to scriptures about end times and Jesus' return. However, this book was not; it was designed to provide a Bible understanding of God's plan for the ages by weaving together the prophecies of the Old and New Testaments. It was also designed to describe the situations and events that will exist on earth at the time of the culmination of all things. For these reasons this book should be timeless. This book will challenge you to open your heart to the Word of God and your eyes to what is happening in the world. The atmosphere is lining up like never before, spiritually, morally, politically, economically, in every way. Don't let your heart fail for fear of what is coming on mankind and the world. Instead, look up in faith and anticipation. Your

redemption is closer than ever!

Postmillennialism - Keith A. Mathison 1999

Is there hope for this world? Do the promises of the gospel hold out a bright future for the families and nations of the earth? In this enlightening work, Keith A. Mathison sets forth a wealth of biblical, historical, and theological evidence for an optimistic eschatology. Unlike end-time forecasts that see modest growth in the church before Christ's return, postmillennialism expects the Spirit-blessed gospel to have overwhelming success in bringing the world to Christ. Mathison explains why, and he calls us to renewed faith and expectation as we serve the reigning King of Kings.

The Theocratic Kingdom - George N. H. Peters  
2014-10-03

George N. H. Peters (1825 - 1909) was an American Lutheran minister whose life work, this three-volume defense of non-dispensational premillennial theology, was published in 1884. Wilbur E. Smith calls it "the most exhaustive,

thoroughly annotated and logically arranged study of Biblical prophecy that appeared in our country during the nineteenth century."

*Church and the Tribulation* - Robert H. Gundry  
2010-08-03

In the opening chapter, Robert Gundry states, "It is hoped that the following pages will contribute to an understanding and appreciation of the posttribulational position and that it will do so in a manner characterized by 'wisdom from above. . . First pure, then peaceable, gentle, reasonable, full of mercy and good fruits, unwavering, without hypocrisy' (James 3:17)." In keeping with this expressed desire, the author presents his thesis regarding Christ's second coming, not as a polemical argument, but as a reasonable and tenable position. This book propounds the thesis that Jesus will return after the tribulation and that the first resurrection will occur at that time. Dr. Gundry believes that biblical evidence points most naturally to this conclusion. Because of his discerning analysis of Scripture, his careful logic,

and the thoughtful presentation of his views, he is one of today's leading spokesmen for posttribulational eschatology.

**The High King of Heaven** - Dean Davis

2014-02-28

"The most sweeping and comprehensive book on eschatology that I've ever encountered. The scope of this book is simply breathtaking." -Dr. Sam Storms For the last 150 years the evangelical world has been embroiled in a Great Debate about eschatology, about the true biblical picture of God's ultimate purpose for the universe, life, and man. Much of the debate swirls around the Kingdom of God: What is its exact nature? In how many stages does it enter history? How shall we interpret the Old Testament prophecies of the Kingdom--literally (in terms of Israel) or figuratively (in terms of the Church)? There is also controversy about the Consummation: Prior to the Lord's return, will our world get better and better, or worse and worse? Will he return once, twice, or even three times?

When He comes again, will it be before the Millennium or after? How many resurrections should we expect? How many judgments? What will the universe be like when God finally creates the new heavens and the new earth? This book was written in the conviction that the High King of heaven has given his people certain master keys by which they may know the answers to all these questions, and therefore be fully prepared for the awesome consummation of all things. In it, pastor and author Dean Davis seeks to place those keys in our hands, so that we may behold afresh the simplicity and glory of our Blessed Hope, and thereby resolve, once and for all, the Great End Time Debate.

Christ's Prophetic Plans - Richard Mayhue

2012-02-21

Do you wish you clearly understood the different views of the millenium and know why you believe which view you hold to? General editors and experienced bible scholars John MacArthur and Richard Mayhue help to provide a clear and

convincing Biblical explanation for the interpretive approach to Scripture that results in a knowable futuristic view of Christ's millennial reign on earth. Christ's Prophetic Plans also helps provide the certain validity of God's promises to future Israel, and the crucial differences between Israel (as a people and a nation) and the New Testament church. Christ's Prophetic Plans offers the reader John MacArthur's most explicit writing on eschatology and is perfect for pastors, bible professors, teachers, and students with a heart and mind for discovering Biblical truth. This primer takes you on a Biblical study of questions surrounding prophecy, Israel, the rapture, and the different millennial views. The fruit of such study is great as God specifically promises His blessing on those who know and obey the things of biblical prophecy (Revelation 1:3; 22:7).

**Kingdom Come** - Sam Storms 2015-11-20

The second coming of Christ is a matter of sharp disagreement amongst Christians. Many hold to premillennialism: that Christ's return will be

followed by 1,000 years before the final judgement. However, premillennialism is not the only option for Christians. In this new book, Sam Storms provides a biblical rationale for amillennialism; the belief that 1,000 years mentioned in the book of Revelation is symbolic with the emphasis being the King and his Kingdom. --from publisher description.

Christ's Victorious Kingdom - John Davis, Jeffers  
2006-09-01

Three Views on the Millennium and Beyond -  
Zondervan, 2010-08-10

Is there biblical evidence for a thousand-year earthly kingdom (the Millennium) ruled by Christ before the fulfillment of the new heaven and new earth? Revelation chapter 20 seems to suggest so, but few books of the Bible are so difficult to interpret. And a discussion of the Millennium branches out into many other theological questions about the end times (eschatology): Are these the last days? What must happen before

Jesus returns? What part does the church play? This Counterpoints volume compares three views of the Millennium: Premillennial: Christ will come again before this kingdom is established. Postmillennial: our present age represents that kingdom and that the church is and must move toward the fulfillment of this kingdom. Amillennial: a future Millennium is not a literal kingdom, and when Christ returns, he will usher in an immediate new heaven and new earth. Robert B. Strimple, Kenneth L. Gentry Jr., and Craig A. Blaising offer their perspectives, giving their exegetical reasoning. Each of them then responds to the views held by their peers in a respectful and informative setting, making it easy for you to compare their beliefs and gain a better understanding of how this aspect of Christianity's great hope--the return of Jesus--is understood by the church. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each

volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

**Kingdom Conspiracy** - Scot McKnight  
2014-10-14

An Award-Winning Challenge to Popular Ideas of the Kingdom According to Scot McKnight, "kingdom" is the biblical term most misused by Christians today. It has taken on meanings that are completely at odds with what the Bible says and has become a buzzword for both social justice and redemption. In Kingdom Conspiracy, McKnight offers a sizzling biblical corrective and a fiercely radical vision for the role of the local church in the kingdom of God. Now in paper. Praise for Kingdom Conspiracy 2015 Outreach Resources of the Year Award Winner One of Leadership Journal's Best Books for Church Leaders in 2014 "This is a must-read for church leaders today."--Publishers Weekly "A timely resource for the missional church to reexamine

some basic assumptions that impact church practice in the everyday."--Outreach

**The Bible and the Future** - Anthony A.

Hoekema 1994-09-06

Writing from the perspective that the coming of God's kingdom is both present and future, Hoekema covers the full range of eschatological topics in this comprehensive biblical exposition. The two major sections of the book deal with inaugurated eschatology (the "already") and future eschatology (the "not yet"). Detailed appendix, bibliography, and indexes.

**Exploring the Origins of the Bible (Acadia Studies in Bible and Theology)** - Craig A.

Evans 2008-10-01

How did the Bible we have come to be? What do biblical scholars mean when they talk about canon, the Septuagint, the Apocrypha, or the Masoretic Text? All this biblical study is interesting, but does it really matter? Leading international scholars explain that it does. This thought-provoking and cutting-edge collection

will help you go deeper in your understanding of the biblical writings, how those writings became canonical Scripture, and why canon matters. Beginning with an explanation of the different versions of the Hebrew Bible, scholars in different areas of expertise explore the complexities and issues related to the Old and New Testament canons, why different Jewish and Christian communities have different collections, and the importance of canon to theology.

*Agents of the Apocalypse* - David Jeremiah

2014-10-07

Who Will Usher in Earth's Final Days? Are we living in the end times? Is it possible that the players depicted in the book of Revelation could be out in force today? And if they are, would you know how to recognize them? In *Agents of the Apocalypse*, noted prophecy expert Dr. David Jeremiah does what no prophecy expert has done before. He explores the book of Revelation through the lens of its major players—the exiled, the martyrs, the elders, the victor, the king, the

judge, the 144,000, the witnesses, the false prophet, and the beast. One by one, Dr. Jeremiah delves into their individual personalities and motives, and the role that each plays in biblical prophecy. Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today. The stage is set, and the curtain is about to rise on Earth's final act. Will you be ready?

**A Case for Historic Premillennialism** - Craig L. Blomberg 2009-02-01

Many evangelical readers who have learned the basics of eschatology from popular authors and more recently from novelists assume that dispensational premillennialism, with its distinctive teachings about the pretribulation rapture of the church, is the only reliable view of the end times and the return of Christ. This volume, however, offers a compelling case for an alternative perspective--one that was widely prevalent throughout church history. The contributors, all respected scholars in their

respective fields, suggest that classic premillennialism offers believers a more coherent and viable approach to understanding eschatology. Their studies, which examine eschatology from biblical, theological, historical, and missiological approaches, provide a broadly accessible argument for returning to the perspectives of historic premillennial eschatology.

**Revelation** - James M. Hamilton Jr. 2012-01-31  
In the book of Revelation, God unveils the world as it really is, identifying an unseen spiritual war and announcing a very real day of judgment. We need to be convinced that Jesus is reigning as the risen King. We need to have him speak to the situation in our churches. We need to see how God will pulverize wickedness, obliterate those who oppose him, and set up his kingdom. Revelation has exactly what we need. Useful for personal study, as well as for preaching and teaching (Hamilton even includes helpful charts and tables to highlight key themes and literary

elements), the thirty-seven sermons in this volume have a clear structure: introduction, body, and conclusion. Hamilton successfully grabs the reader's attention, raises awareness of a real need, and states the main point of the sermon text. In addition to explaining the meaning of each passage, Hamilton connects the main ideas to applicable analogies and actionable points. Revelation is a prophecy of epic proportions and Hamilton invites readers to love God and his people by expositing this revelation of Jesus, and to say along with the apostle John, "Come, Lord Jesus." Part of the Preaching the Word series.

*Making Sense of the New Testament* - Craig L. Blomberg 2004-03

Answers three crucial questions about the New Testament, including concerns about relevance, application, and claims that Paul's teachings differ from those of Jesus.

**A Case for Amillennialism** - Kim Riddlebarger 2013-08-15

Amillennialism, dispensational premillennialism, historic premillennialism, postmillennialism, preterism. These are difficult words to pronounce and even harder concepts to understand. A Case for Amillennialism is an accessible look at the crucial theological question of the millennium in the context of contemporary evangelicalism. Recognizing that eschatology--the study of future things--is a complicated and controversial subject, Kim Riddlebarger provides definitions of key terms and a helpful overview of various viewpoints. He examines related biblical topics as a backdrop to understanding the subject and discusses important passages of Scripture that bear upon the millennial question. Regardless of their stance, readers will find helpful insight as Riddlebarger evaluates the main problems facing each of the major millennial positions and cautions readers to be aware of the spiraling consequences of each view.

**A Case for Historic Premillennialism** - Craig L. Blomberg 2009-02-01

Many evangelical readers who have learned the basics of eschatology from popular authors and more recently from novelists assume that dispensational premillennialism, with its distinctive teachings about the pretribulation rapture of the church, is the only reliable view of the end times and the return of Christ. This volume, however, offers a compelling case for an alternative perspective--one that was widely prevalent throughout church history. The contributors, all respected scholars in their respective fields, suggest that classic premillennialism offers believers a more coherent and viable approach to understanding eschatology. Their studies, which examine eschatology from biblical, theological, historical, and missiological approaches, provide a broadly accessible argument for returning to the perspectives of historic premillennial eschatology.

**Horae Apocalypticae, Or a Commentary on the Apocalypse, Critical and Historical -**

Elliott 1846

**MacArthur's Millennial Manifesto** - Samuel E. Waldron 2008-05

At the 2007 Shepherds' Conference, Pastor John MacArthur delivered a controversial message entitled, "Why Every Self-Respecting Calvinist is a Premillennialist". In this book, Dr. Sam Waldron addresses the assertions of MacArthur historically, exegetically and theologically. Although his arguments are rigorous, the entire tenor of the book is level-headed and irenic. This "friendly response" grants modern day Amillennialists the opportunity to thoughtfully engage their Dispensational brethren.

**A Commentary on the Revelation of John** - George Eldon Ladd 2018-09-11

New in the Eerdmans Classic Biblical Commentaries collection In this now-classic exposition of Revelation, first published in 1972, George Eldon Ladd offers a clear, engaging, and insightful reading of the Apocalypse that is ideal

for the pulpit, classroom, or personal study. In a brief introduction Ladd discusses the subject of authorship, the date and historical setting of Revelation, and the various methods of interpretation (preterist, historical, idealist, and futurist) that have been applied to the book throughout history. He then offers an analytical outline of Revelation's structure and his verse-by-verse commentary, which reflects a historic premillennial perspective. The entire work is marked by Ladd's sensitivity to the needs of both scholars and general readers and by his concern for proclaiming the message of Revelation for our time.

The Millennial Maze - Stanley J. Grenz 1992-09-25

Stanley J. Grenz describes four major views on the millennium held by evangelicals and assesses their strengths and weaknesses.

*Models of Premillennialism* - Sung Wook Chung

2018-08-27

The meaning of "the millennium"--the thousand-year reign of Christ spoken of in Revelation 20--has been controversial for much of the church's history, and even the main perspectives on the matter turn out to be more variegated than is often realized. This book takes the oldest of those options, premillennialism, and offers an excellent introduction to a variety of models of premillennialism currently available, including classical dispensationalism, progressive dispensationalism, historic premillennialism, thematic premillennialism, and historic premillennialism in Asian context. The product of collaboration between a systematic theologian and a New Testament scholar, this book provides a fascinating reference tool for anyone interested in what Scripture teaches about the last things of redemptive history, the Parousia, and the millennial kingdom.
