**Your Soul's Plan** - Robert Schwartz 2010-05-18

Would you like to understand the deeper spiritual meaning of physical illness, parenting handicapped children, drug addiction, alcoholism, the death of a loved one, accidents, deafness, and blindness? Your Soul's Plan (which was originally published under the title Courageous Souls: Do We

Plan Our Life Challenges Before Birth?) explores the premise that we are all eternal souls who plan our lives, including our greatest challenges, before we are born for the purpose of spiritual growth. Through compelling profiles of people who knowingly planned the experiences mentioned above, *Your Soul's Plan* shows that suffering is not purposeless, but rather imbued with deep meaning. Working with four gifted mediums, author Robert Schwartz reveals the significance of each person's life plan and allows us a fascinating look into the "other side." Each personal story focuses on a specific life challenge, organized by type for easy reference. Accessible both to those familiar with the metaphysical aspects of spirituality and to the general reader, the moving narratives that comprise *Your Soul's Plan* help readers awaken to the reality that they are

transcendent, eternal souls. With this stirring book as a guide, feelings of anger, resentment, guilt, and victimization are healed and transformed into acceptance, forgiveness, gratitude, and peace. Robert Schwartz is also the author of *Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born*, which explores the pre-birth planning of spiritual awakening, miscarriage, abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. There's also a chapter about the pre-birth planning we do with our future pets. Robert Schwartz is a hypnotherapist who offers general Spiritual Guidance Sessions, Past Life Soul Regressions, and Between Lives Soul Regressions. Lisa Wingate 2017-06-06

THE BLOCKBUSTER HIT—Over two million copies sold! A New York Times, USA Today, Wall Street Journal, and Publishers Weekly

Bestseller “Poignant, engrossing.”—People • “Lisa Wingate takes an almost unthinkable chapter in our nation’s history and weaves a tale of enduring power.”—Paula McLain  
Memphis, 1939. Twelve-year-old Rill Foss and her four younger siblings live a magical life aboard their family’s Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge—until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children’s Home Society orphanage, the Foss children are assured that they will soon be returned to their parents—but they quickly realize the dark truth. At the mercy of the facility’s cruel director, Rill fights to keep her sisters and brother together in a world of danger and uncertainty. Aiken, South Carolina, present day. Born into wealth and privilege,

Avery Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's long-hidden history, on a path that will ultimately lead either to devastation or to redemption. Based on one of America's most notorious real-life scandals—in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country—Lisa Wingate's riveting, wrenching, and ultimately uplifting tale reminds us how, even though the paths we take can lead to many places, the heart never forgets where we belong. Publishers Weekly's #3 Longest-

Running Bestseller of 2017  
• Winner of the Southern Book Prize • If All Arkansas Read the Same Book Selection This edition includes a new essay by the author about shantyboat life.

A young mother intrudes in the life of an older woman, thinking she knows what's best. An academic becomes convinced that he is haunted by his double. Two children spy on their supposedly criminal

neighbours. A man enables his cousin's predatory impulses out of loyalty, and a circus performer dreams of a perfect wedding. These characters fail despite their best intentions and continue on despite their failures. The stories in *How You Were Born*, each more incisive and devastating than the last, examine the difficult business of love, loyalty, and memory. Sharing the bizarre and tragi-comic of life--whether in present-day Toronto or in small towns of the early 20th century--Cayley champions the importance of connections, even when missed or mislaid, and the possibility of redemption. *Before You Were Born* - Jennifer Rauch 1998-05-01 A lift-the-flap book showing milestones in a baby's development during pregnancy and the mother's experiences as it grows. *A Love Song* - Katrina Germein 2021-12

*Your Soul's Gift* - Robert

Schwartz 2012-04-11

In his groundbreaking first book, *Your Soul's Plan*, Robert Schwartz brought the idea of pre-birth planning into the mainstream. Now, his brilliant sequel *Your Soul's Gift* delves even deeper by exploring the pre-birth planning of spiritual awakening, miscarriage and abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. Working with a team of gifted mediums, Schwartz brings forth great love and wisdom from the other side to explain why such experiences are planned and the deep, soul-level healing they can create. Through the stories in *Your Soul's Gift* you can: - Develop greater self-love as you become aware of the tremendous courage it takes for you to plan a life on Earth and to live the life you planned -Emerge from victim consciousness to know yourself as the

powerful creator of your life  
-Forgive those who have hurt you and create a lasting inner peace -  
Understand the qualities you came into this lifetime to cultivate and express -  
See profound purpose in experiences that once appeared to be meaningless suffering -Develop a heartfelt knowing of your infinite worth, beauty, magnificence, and sacredness as an eternal soul.

[Why We Are Born](#) - Akemi G  
2014-06-14

There are many inspirational how-to books, but until you understand the fundamental WHY, your how-to is destined to be superficial. This book is unique in that it gets down to this foundation of life in such a clear, straightforward way. The subtitle could be "Life and Spirituality Demystified." From the back cover: Have you ever wondered, "Why was I born?" Humanity has always asked this

fundamental question regarding life's purpose and meaning. Our thinking, however, is often limited. If we ponder this question only within the context of one physical lifetime, we cannot reach the answer. In order to know why we are born, we need to know what it was like before birth-and after death, and further yet, even before we assumed individuality. You are not your body. You are the soul currently living in the body. As souls, we are all interconnected and share information about what happened in our past lives, how we felt about the experiences, and what can happen in the future. Such shared information is called the Akashic Records. Why We Are Born, written by renowned Akashic Record Reader Akemi G in her signature straightforward style and with clear words, is a gift of light that dispels many spiritual myths such as "Life is a school." Whether you consider

yourself spiritual or not, you will find in this book fresh insights that will help you remember how marvelous life really is despite its challenges.

**BEFORE YOU WERE BORN... I Loved You -**

Kristina Powell 2023-12-29

There is nothing more precious than the gift of a child. Young and old alike, we were born with the need to be loved. BEFORE YOU WERE BORN... I loved you, was written as a reminder that the care and attention to every detail of your being, was intentional. Written for every generation to enjoy, and every heart to feel. May you always remember, to never forget how very much you are loved. BEFORE YOU WERE BORN... I loved you, is a heartfelt gift for milestone events such as baby showers, birthdays, holidays, or just because. Do you know how much you are loved? God does. Before you were born, we prayed for you, we talked to you

and over you, while you were still in the womb. You are healthy, You are strong, You are wise, You are kind, and You are so very loved. Your words are like seeds, taking root in the depth of a soul, forming the things you will believe to be truth. Speak truth and life over those you love. Tell them who they are, or the world will try and convince them who they are not. May the words of this book saturate your very being, and take root in the depths of your soul.

Beyond Theology - Alan Watts 2022-10-11

A radical reinterpretation of Christianity by one of the twentieth century's leading philosophers Today, Alan Watts is remembered mainly as an eloquent interpreter of Eastern philosophies such as Taoism and Zen Buddhism. Not everyone knows that Watts was also a formidable scholar of Christianity who worked as an Episcopal

chaplain early in his career. He eventually left the church to find his own spiritual path, but his time there fueled a burst of literary creativity that culminated in *Beyond Theology*, originally published in 1964 and now back in print. In this landmark work, Watts asks whether a “rigorous, imperious, and invincibly self-righteous” religion such as Christianity can stay relevant in our modern, multicultural world. To answer that question, he deconstructs Christianity by using concepts borrowed from psychology, linguistics, science, and Eastern philosophy. In the process, he solves difficult problems of theology, traces the impact of Christianity on Western culture, and points the way to a new form of nondualistic spirituality. Playing the role of a philosophical jester, Watts artfully deploys paradoxes, riddles, and gently subversive humor to

overturn conventional wisdom. His intention is not to hold sacred things up to ridicule but rather to expand our definition of the sacred. The ultimate aim is to help us see beyond the external trappings of religion — beyond ritual, myth, doctrine, and theology itself — to experience the divine within ourselves.

*Spirit, Soul, and Body* -

Andrew Wommack

2018-12-18

Have you ever asked yourself what changed when you were "born again?" You look in the mirror and see the same reflection - your body hasn't changed. You find yourself acting the same and yielding to those same old temptations - that didn't seem to change either. So you wonder, Has anything really changed? The correct answer to that question is foundational for receiving from God. If you lack this basic understanding, you'll forever ask yourself doubt-filled questions like: "How could God love somebody like me?" and "How can I possibly expect to receive anything from the Lord? I don't deserve it, I'm not good enough!" *Spirit, Soul, and Body* will help you eliminate those and other doubt-filled questions that destroy your faith. If you

have trouble receiving from God, this is a must-read!

*Before You Were Born* -

Deborah Kerbel 2019-05-03

"Before...You were a song in our hearts, a star in our eyes." Told from the perspective of new parents welcoming their baby to the world, this touching love letter to young children by Governor General's Literary Award-nominated author Deborah Kerbel describes with lyrical grace all of the promise held by new life. As the seasons change from fall through winter and into spring, the expectant parents' anticipation over the baby's arrival is mirrored in the animals around the family's seaside home, marrying the natural world to the family's experience. Suzanne Del Rizzo, author-illustrator of *My Beautiful Birds* — a New York Times Notable Children's Books selection and winner of the 2018 SCBWI Crystal Kite Award — adds an intricately tactile element with her lush

illustrations rendered in polymer clay and acrylic wash, depicting the animals in scenes at times playful and other times serene.

On the Night You Were Born / La Noche En Que Tú Naciste (Bilingual -

English/Spanish) - Nancy Tillman 2022-06-28

An English/Spanish bilingual edition of Nancy Tillman's heartwarming debut picture book for readers of all ages, *On the Night You Were Born / La Noche En Que Tu Naciste*. On the night you were born, the moon smiled with such wonder that the stars peeked in to see you and the night wind whispered. "Life will never be the same." On the night you were born, the whole world came alive with thanksgiving. The moon stayed up till morning. The geese flew home to celebrate. Polar bears danced. On the night you were born you brought wonder and magic to the world. Here is a book that

celebrates you. It is meant to be carried wherever life takes you, over all the roads, through all the years.

*Alive Before You Were Born* - Concordia Publishing House 2020-11-10

*How You Were Born* - Joanna Cole 1994-05-24

It is natural for young children to be curious about where they come from. Using vivid full-color photographs and a clear, straightforward text, this comprehensive book answers the questions they have about how an egg cell grows to become a baby, how a baby lives inside its mother's uterus, and how a baby is born.

**Radical** - David Platt 2010-05-04

New York Times bestseller

What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in *The Radical Experiment* -- a one-year journey in authentic

discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

*Before You Were Big* - Jennifer Davis 2003

This spirited lift-the-flap follow-up to "Before You Were Born" describes the incredible development that occurs during the first year of life--from minutes after birth through to baby's first birthday. Full color.

*You Were Loved Before You Were Born* - Eve Bunting 2008

Everyone in the family, and all the neighbors, too, are getting the house and garden ready for the birth of this highly anticipated child. The baby's room is painted with rainbows and stars, special furniture is made and bought, a kite is made, local children create a welcome banner. It feels as if the entire world is waiting just for this one special baby to be born. And when it is born, the parents make this very, very clear:

We loved you even before you were born...and we always will.

**Before We are Born -**

Keith L. Moore 1977

**Cosmic Cradle, Revised**

**Edition** - Elizabeth M.

Carman 2013-04-16

Where was your soul before you were born? If your soul is immortal, did it have a "life" prior to birth? Did you choose your life and parents? Is reincarnation real? Elizabeth and Neil Carman, the authors of Cosmic Cradle, address these questions through interviews with adults and children who report pre-birth experiences (PBEs) not based on regression, hypnosis, or drugs. Instead, interviewees recall their pre-birth existence completely sober and awake. In contrast to near-death experiences (NDEs), which have been well documented to show us what the soul experiences after death, PBEs throw light upon our lives before

birth. People with NDEs sense that they "return home" when their spirits cross to the other side. What is the nature of this place we "return" to? PBEs suggest that we come from the same place we return to: we come from the Light and return to the Light. The same eternal "you" progresses through life before life, human life, and life after death. This new edition of Cosmic Cradle explores your soul's journey into your mother's womb-- where your soul comes from, the origin and purpose of your life, and the process by which you entered an earthly body. In pre-birth communications, parents meet a soul seeking to cross over from the heavenly realm to human birth. Persons with pre-birth memories recall existence in a luminous world before birth, in which they preview the upcoming life with a Divine Planner, and recall how they journeyed to their mothers' wombs. **The 1619 Project: Born on the Water** - Nikole Hannah-Jones 2021-11-16  
The 1619 Project's lyrical picture book in verse chronicles the consequences of slavery and the history of Black resistance in the United States, thoughtfully rendered by Pulitzer Prize-winning journalist Nikole Hannah-Jones and Newbery honor-winning author Renée Watson. A young student receives a family tree assignment in school, but she can only trace back three generations. Grandma gathers the whole family, and the student learns that 400 years ago, in 1619, their ancestors were stolen and brought to America by white slave traders. But before that, they had a home, a land, a language.

She learns how the people said to be born on the water survived. And the people planted dreams and hope, willed themselves to keep living, living. And the people learned new words for love for friend for family for joy for grow for home. With powerful verse and striking illustrations by Nikkolas Smith, *Born on the Water* provides a pathway for readers of all ages to reflect on the origins of American identity.

*What Happens Before We Are Born* - Arie Boogert 2020-11-22

How is the condition of our mind affected by death? What realm do we enter when we die? In this book Arie Boogert extends much of what he expressed in his earlier work, *What Happens after We Die*. He maps out many facets of Rudolf Steiner's insights into the life that follows death, focusing especially on the period leading to a new birth. The author describes the experiences of the

deceased, who--along with others who have died--is preparing a new incarnation on Earth and setting a course toward a "revised and improved edition" of one's human adventure on Earth. This second volume of Arie Boogert's books on life between death and a new birth takes the reader into a realm that is, in the most encompassing form, our future homeland, juxtaposing many of Steiner's descriptions to give the reader an impression of what awaits us. We don't go into the subject in an abstract way; we are directly involved with it. And we begin to observe that reality while living on Earth by becoming aware of what is present in our world and learning to "see" by assembling the

necessary concepts and mental images of that completely different world and existence. The discussions here include descriptions of our path through the worlds of soul and spirit; the involvement of angelic beings in processing our past life and preparing for the next; the formation of destiny and karma; the continuity of our individuality; and our new incarnation. Arie Boogert's two companion books--What Happens after We Die and What Happens before We Are Born--are invaluable guides for all those coming to terms with their own death or the loss of a loved one.
