**The Power of Multisensory Preaching and Teaching** - Rick Blackwood 2009-05-26

Most preaching and teaching in the church engages only one of the senses—hearing. In *The Power of Multisensory Preaching and Teaching*, Rick Blackwood shows how recognizing and engaging the multiple senses of the congregation can lead to greater impact. Blackwood presents both biblical evidence and scientific research showing that the more senses we stimulate in teaching and preaching, the greater the levels of learner attention, comprehension, and retention. Blackwood addresses both the “why” and the “how” of multisensory communication. Regardless of one’s current skill level, this practical book can help anyone add multi-sensory elements to messages in order to take communication to the next level—more compelling, clear, and memorable. As a result of reading this book readers can be more effective as a communicator and teacher. The book includes tools, examples, and worksheets.

worship practices of the ancient world. They take readers on a praise journey that answers questions and provides valuable insight. After reading *Holy Roar*, you will: Grow an understanding of praise with Darren's unique insights. Gain a deeper understanding of how to worship. Be inspired as Chris shares how those insights take shape in the stories behind some of your favorite worship songs, including "How Great Is Our God," "We Fall Down," and "Good Good Father." *Holy Roar* is for: Readers of all ages interested in growing their faith Pastors, worship leaders, and small group teachers leading believers In the ancient world, something extraordinary happened when God's people gathered to worship Him. It was more than just singing; it was a declaration, a proclamation, a time to fully embody praise to God for who He is and what He has done. In fact, in the Psalms, seven Hebrew words are translated into the English word praise, each of which represents a different aspect of what it means to truly praise God.

**Core Christianity** - Michael Horton 2016-04-05

What beliefs are core to the Christian faith? This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. A lot of Christians take their story—the narratives that give rise to their beliefs—for granted. They pray, go to church, perhaps even read their Bible. But they might be stuck if a stranger asked them to explain what they believe and why they believe it. Author, pastor, and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian! Core Christianity covers topics like: Jesus as both fully God and fully man. The doctrine of the Trinity. The goodness of God despite a broken world. The ways God speaks. The meaning of salvation. What is the Christian calling? Includes discussion questions for individual or group use. This introduction to the basic doctrines of Christianity is perfect for those who are new to the faith, as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ.

Funeral Homilies - William J. Bausch 2009

Father Bill Bausch's homilies are always outstanding. He brings a deep pastoral presence and much thought and preparation to each of them. This has never been more evident than here in this book of funeral homilies. Each is crafted to reflect the person remembered as well as the message of Scripture. Each reflects the communal nature of a Catholic funeral and is sensitive to the status of the mourners: non-Catholics, lapsed Catholics, faithful parishioners, relatives, and friends. Father Bill's words are faith-filled and compassionate, comforting and

challenging, communal and personal. He regards the funeral liturgy as one of the greatest teachable moments the Church offers and here this is very evident. Highly recommended for all priests, deacons, and preachers. Book jacket.

*There is Hope* - Paul Beasley-Murray 2021-12-16

250,000 people die in the UK each year, and almost half will have a Christian funeral service. Preaching at a funeral is a vital part of pastoral ministry, but too often funeral sermons consist of generalities and platitudes used for multiple services rather than illuminating the hope gifted to us by the resurrection. In *There is Hope* veteran pastor Paul Beasley-Murray offers practical advice to help Christian leaders craft

meaningful, biblically driven sermons and preach with confidence and compassion at funeral services. Drawing on his years of experience, he offers a sensitive, pastorally rich exposition of twenty key Bible passages, exploring how preachers can draw on them to show the hope beyond death that the Gospel offers. Alongside are funeral sermon examples that he has preached himself, as well as ideas, outlines and guidance for writing your own. There is Hope is the perfect book for ordinands and preachers who are new to giving funeral sermons, as well as for experienced preachers and pastors wanting to improve and grow in their pastoral ministry and are looking for new ideas for funeral sermons. Full of biblical depth, this guide will equip priests and pastors with all the tools they need to deliver comforting funeral sermons that truly deliver the message that even in death, in the Gospel there is hope.

52 Funeral Sermons - Barry L. Davis 2013-05-05

For most of us, one of the most rewarding, yet difficult tasks, is preparing messages to preach and teach. We are honored by God to stand before our congregation each week, and we want to give them the very best, but with the press of the many demands of ministry, sometimes that is difficult to do. And if you're like me, you prefer writing your own sermons because you have a special connection with your congregation that is hard to reach through a message someone else has written. In other words, no one knows your people like you do! Our new Pulpit Outline Series gives you a starting point - a sermon title, a deductive sermon outline; and a relevant illustration you can use however you like. In this edition, rather than an outline, we have given you full manuscript messages that can be edited to suit your purposes. We invite you to make these messages your own, because only you know the people God has called you to preach to. And we are so honored that you've invested in this unique third volume in the Pulpit Outline series - 52 Funeral Sermons. We have put together the most tasteful, relevant, and Biblical messages possible. May God Bless You as You Share His Word!

**Conduct Gospel-Centered Funerals** - Brian Croft 2014-06-03

Bring Gospel Hope in the Midst of Death The phone rings: "Pastor, can you do my mother's funeral?" Or, "Please help us—our baby just died." Death comes unexpectedly, giving you two to three days of time to prepare a sermon—in the midst of caring for a grieving family. This helpful book walks a pastor through the logistics of memorial services, burials, and working with funeral homes—using the four P's: Plan, Prepare, Preach, and Perform. It shows how to magnify Christ and the gospel in the midst of all the details, demands, and sorrow that surrounds the death of a loved one. The Practical Shepherding series of books provides pastors and ministry leaders with advice and practical help to do the work of pastoral ministry in a local church. In *Conduct Gospel-Centered Funerals*, experienced pastors Brian Croft and Phil A. Newton offer readers a concise guide to conducting funerals that glorify God and offer a timely message of hope.

*The Dash* - Linda Ellis 2012-04-16

When your life is over, everything you did will be represented by a single dash between two dates—what will that dash mean for the people you have known and loved? As Joseph Epstein once said, "We do not choose to be born. We do not choose our parents, or the country of our birth. We do not, most of us, choose to die. . . . But within this realm of choicelessness, we do choose how we live." And that is what *The Dash* is all about. Beginning with an inspiring poem by Linda Ellis titled "The Dash," renowned author Mac Anderson then applies his own signature commentary on how the poem motivates us to make certain choices in our lives—choices to ignore the calls of selfishness and instead reach out to others, using our God-given abilities to brighten their days and lighten their loads. After all, at the end of life, how we will be remembered—whether our dash represents a full, joyous life of seeking God's glory, or merely the space between birth and death—will be entirely up to the people we've left behind, the lives we've changed.

**Active Spirituality** - Brian G. Hedges 2014-04-28

In Active Spirituality, Brian Hedges allows us to read someone else's mail — a series of warm pastoral letters, written to a young Christian, about the paradox of grace and effort in the life of faith. "Is my Christian life about trying or trusting?" • "Would I describe my relationship to God as running or resting?" • "Is my life more characterized by grace or effort?"

Active Spirituality makes it clear that it is both: trying and trusting, running and resting, dependence on grace and exerting disciplined effort. This balance is not about getting my doctrine right, but is key to living a healthy Christian life. So, pull up a chair, settle in, and read over the shoulder of Chris, a struggling young adult trying to find a church, overcome discouragement, live a chaste life, and develop a plan for spiritual growth, all while learning to rest in the finished work of Jesus.

**Keep Believing: Finding God in Your Deepest Struggles (2019 Edition)** - Dr. Ray Pritchard

The biggest barrier to faith is life itself. Divorce. Cancer. Infertility. Death. There are times in our lives in which God seems very far away. We don't understand His silence. We only feel the intensity of our pain and the echoing question of 'why?' The Bible declares that God is good, but can we still believe this when our lives are falling apart? In Keep Believing, Dr. Pritchard affirms what the Bible declares: that God is good and His mercy endures forever. This is true regardless of our moment-by-moment experience. God has provided comfort in our times of struggle and healing in our times of hurt through the balm of His Word. You believed in the light of day; will you still believe at midnight? Search the Scriptures with Dr. Pritchard for words of encouragement and hope. Put your confidence in the God who sorrowfully watched His Son suffer at Calvary for your benefit. Know that the same loving heavenly Father has everything completely under control. He is with you and longs to comfort you as you struggle through your hard times. Take a tell-tale look at your devotion to the Lord and His never-ending love and commitment to you in Keep Believing. You served God in the sunshine; will you now serve him in the shadows?

**Onward** - Russell D. Moore 2015-08

Christianity Today "Beautiful Orthodoxy" Book of the Year in 2016. Keep Christianity Strange. As the culture changes all around us, it is no longer possible to pretend that we are a Moral Majority. That may be bad news for America, but it can be good news for the church. What's needed now, in shifting times, is neither a doubling-down on the status quo nor a

pullback into isolation. Instead, we need a church that speaks to social and political issues with a bigger vision in mind: that of the gospel of Jesus Christ. As Christianity seems increasingly strange, and even subversive, to our culture, we have the opportunity to reclaim the freakishness of the gospel, which is what gives it its power in the first place. We seek the kingdom of God, before everything else. We connect that kingdom agenda to the culture around us, both by speaking it to the world and by showing it in our churches. As we do so, we remember our mission to oppose demons, not to demonize opponents. As we advocate for human dignity, for religious liberty, for family stability, let's do so as those with a prophetic word that turns everything upside down. The signs of the times tell us we are in for days our parents and grandparents never knew. But that's no call for panic or surrender or outrage. Jesus is alive. Let's act like it. Let's follow him, onward to the future.
