Crowley

The Equinox Vol 1 No V - Aleister
Crowley 2019-09-28
Serving as the official text of the A/ A/, the

Equinox Volume 1 has proven an elusive addition to the occultist's library. With only a few printings available in over one hundred years, copies of this text fetch upward of \$2,000 per book. Now, this text is now available at an affordable price. Unedited, and unabridged, this printing contains all the original text and images (B&W) released in the original 1909 printing by Crowley himself. Only now, it is in paperback, and within reach of ownership. (Hardcover available Spring 2014). The editor and publisher have made no attempt to add to this work in any manner. There is no need for improvement, as these works stand as classics in occult literature even today. The Equinox (subtitle: "The Review of Scientific Illuminism") is a series of publications in book form that serves as the official organ of the A/ A/, a magical order founded by Aleister Crowley (although material is often of import to its

sister organization, Ordo Templi Orientis). Begun in 1909, it mainly features articles about occultism and magick, while several issues also contain poetry, fiction, plays, artwork, and biographies.

The Blue Equinox - Aleister Crowley

2023-12-21

The Blue Equinox details the principles and aims of the secret society O.T.O. (Ordo Templi Orientis) and its ally the A∴A∴, both of which were under Aleister Crowley's control at the time book was published. It includes such topics as The Law of Liberty, The Gnostic Mass, and Crowley's "Hymn to Pan". The book opens with Crowley's poem "Hymn to Pan", a devotional work devoted to the ancient Greek deity Pan. This is followed by an editorial, in which Crowley discusses Thelema, the A∴A∴ and the O.T.O., and the important role which he believed that they had to play in the Aeon of Horus.

The Best of the Equinox, Dramatic Ritual - Aleister Crowley 2013-02-01

Volume II in this four-volume Weiser series, The Best of the Equinox by Aleister Crowley, offers a treasure chest of dramatic rituals. The Equinox became the standard

for English language esotericism in the early 20th century, aptly termed the "Encyclopedia of Initiation" by its principal editor and contributor, Aleister Crowley. This ten-volume collection had remarkable variety, depth, and the utility of its contents encompass Qabalah, tarot, yoga, and the essential papers of Crowley's teaching order, A. A. Unfortunately, much of this material is currently out of print. The Best of the Equinox, Volume II, curated by scholar and U.S. Deputy Grandmaster General of the O.T.O., Lon Milo DuQuette, collects the best of Crowley's material from both in-print and out-of-print editions of The Equinox. For Crowley collectors and the curious alike, this is an accessible, affordable volume packed with high magick and secrets.

The Equinox - Aleister Crowley 1990-01-01
Along with his written works, Aleister Crowley's legacy includes the organization

he is credited with founding, the OTO or Ordo Templi Orientis -- The Order of Oriental Templars. This book contains key introductory material to this contemporary occult society, along with a history of the Order after Crowley's death. The format of this edition matches that of the first Equinox series published with Crowley as editor and includes magical instruction, communications to OTO members (all the dirt on court cases the OTO has been involved in), and original works of fiction and poetry. As part of this latter category, this book features an illustrated study of the works of underground filmmaker Kenneth Anger with a complete filmography. It could be argued that Aleister Crowley (1875-1947) anticipated the entire New Age phenomenon with his methods of teaching, codified in the tenets of the OTO. A rich melange of ritual magic, traditional spiritual practice, drug use, and

sex, borrowing from many different cultures and traditions, informed the development of this lasting magical system. Although he's been popularized (and demonized) as The Beast, 666, his teachings have shown lasting value.

Gems from the Equinox - 1992-06

The Equinox - Weiser Books 2005-11-30
 First published in Detroit in 1919, the

legendary Blue Equinox was Crowley's first attempt to publicize the principles and aims of the magical secret society Ordo Templi Orientis (O.T.O.) and its allied order the A.'.A.'. In it, Crowley laid out the esoteric, social, ethical, and philosophical ideas that he believed provided the framework for a new ethics and the liberated morality of the future. Upon publication, the book was threatened with suppression by the authorities of the day. Many of the papers in the Blue Equinox anticipated social liberties we tend to take for granted today. *The Equinox Vol. 1 No. 4* - Aleister Crowley 2015-09-20

The Equinox (subtitle: "The Review of Scientific Illuminism") is a series of publications in book form that serves as the official organ of the AA, a magical order founded by Aleister Crowley (although material is often of import to its sister organization, Ordo Templi Orientis). Begun

in 1909, it mainly features articles about occultism and magick, while several issues also contain poetry, fiction, plays, artwork, and biographies. The last issue was published in 1998.
