“The perfect blend of CSI and Harry Potter.” –io9 Suspicious deaths are not usually the concern of Police Constable Peter Grant or the Folly—London’s police department for supernatural cases—even when they happen at an exclusive party in one of the flats of the most expensive apartment blocks in London. But the daughter of Lady Ty, influential goddess of the Tyburn river, was there, and Peter owes Lady Ty a favor. *Moon Over Soho* - Ben Aaronovitch 2022-11-28

‘Moon Over Soho cements [the Rivers of London] series as my favorite urban fantasy series. The humor, the world-building, the action, the magic, the mystery, the procedural—all are top-notch.’ – Ranting Dragon My name is Peter Grant, and I’m a Police Constable in that mighty army for

justice known as the Metropolitan Police (a.k.a. the Filth). I’m also an apprentice wizard, the first in fifty years. When your dad is an almost famous jazz trumpeter, you know the classics. And that’s why, when Dr Walid called me down to the morgue to listen to a corpse, I recognized the tune it was playing as the jazz classic ‘Body and Soul.’ Something violently supernatural had happened to the victim, strong enough to leave its imprint on his corpse as if it were a wax cylinder recording. The former owner of the body, Cyrus Wilkinson, was a part-time jazz saxophonist and full-time accountant who had dropped dead of a heart attack just after finishing a gig. He wasn’t the first, but no one was going to let me exhume corpses just to see if they were playing my tune. So it was back to old-fashioned police legwork, starting in Soho, the heart of the scene, with the lovely Simone – Cyrus’s ex-lover, professional jazz kitten and as inviting as a Rubens portrait – as my guide. And it didn’t take me long to realise there were monsters stalking Soho, creatures feeding off that special gift that separates the great musician from someone who can raise a decent tune. What they take is beauty. What they leave behind is sickness, failure and broken lives. Reviews for *Moon Over Soho* Mr. Aaronovitch is, in short, writing the best contemporary occult detective series on the shelf today, and that’s by a substantial margin.’ – Pornokitsch ‘*Moon Over Soho* is a gripping continuation of River of London’s well executed blend of police-procedural and fantasy with a good splash of horror thrown in. This is urban fantasy done with a loving attention to detail and enlivened by an ever present wit making this series a must-read for anyone who likes their fantasy with a strong edge of realism.’ – SF Book Reviews

*Whispers Under Ground* - Ben Aaronovitch 2012-07-31

A WHOLE NEW REASON TO MIND THE GAP It begins with a dead body at the far end of Baker Street tube station, all that remains of American exchange student James Gallagher—and the victim’s wealthy, politically powerful family is understandably eager to get to the bottom of the gruesome murder. The trouble is, the bottom—if it exists at all—is deeper and more unnatural than anyone suspects . . . except, that is, for London constable and sorcerer’s apprentice Peter Grant. With Inspector Nightingale, the last registered wizard in England, tied up in the hunt for the rogue magician known as “the Faceless Man,” it’s up to Peter to plumb the haunted depths of the oldest, largest, and—as of now—deadliest subway system in the world. At least he won’t be alone. No, the FBI has sent over a crack agent to help. She’s young, ambitious, beautiful . . . and a born-again Christian apt to view any magic as the work of the devil. Oh yeah—that’s going to go well.

**Rivers of London** - Ben Aaronovitch 2017-06-13

My name is Peter Grant and until January I was just probationary constable in that mighty army for justice known to all right-thinking people as the Metropolitan Police Service (and as the Filth to everybody else). My only concerns in life were how to avoid a transfer to the Case Progression Unit - we do paperwork so real coppers don't have to - and finding a way to climb into the panties of the outrageously perky WPC Leslie May. Then one night, in pursuance of a murder inquiry, I tried to take a witness statement from someone who was dead but disturbingly voluble, and that brought me to the attention of Inspector Nightingale, the last wizard in England. Now I'm a Detective Constable and a trainee wizard, the first apprentice in fifty years, and my world has become somewhat more complicated: nests of vampires in Purley, negotiating a truce between the warring god and goddess of the Thames, and digging up graves in Covent Garden ... and there's something festering at the heart of the city I love, a malicious vengeful spirit that takes ordinary Londoners and twists them into grotesque mannequins to act out its drama of violence and despair. The spirit of riot and rebellion has awakened in the city, and it's falling to me to bring order out of chaos - or die trying.
