The Jesus Of History And The Christ Of Faith

When people should go to the book stores, search commencement by shop, shelf by shelf, it is truly problematic. This is why we offer the ebook compilations in this website. It will totally ease you to see guide The Jesus Of History And The Christ Of Faith as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. If you wish to download and install the The Jesus Of History And The Christ Of Faith, it is totally easy then, before currently we extend the colleague to purchase and create bargains to download and install The Jesus Of History And The Christ Of Faith for that reason simple!

God - Reza Aslan 2017-11-07
NEW YORK TIMES BESTSELLER • The bestselling author of Zealot and host of Believer explores humanity’s quest to make sense of the divine in this concise and fascinating history of our understanding of God. In Zealot, Reza Aslan replaced the staid, well-worn portrayal of Jesus of Nazareth with a startling new image of the man in all his contradictions. In his new book, Aslan takes on a subject even more immense: God, writ large. In layered prose and with thoughtful, accessible scholarship, Aslan narrates the history of religion as a remarkably cohesive attempt to understand the divine by giving it human traits and emotions. According to Aslan, this innate desire to humanize God is hardwired in our brains, making it a central feature of nearly every religious tradition. As Aslan writes, “Whether we are aware of it or not, and regardless of whether we’re believers or not, what the vast majority of us think about when we think about God is a divine version of ourselves.” But this projection is not without consequences. We bestow upon God not just all that is good in human nature—our compassion, our thirst for justice—but all that is bad in it: our greed, our bigotry, our penchant for violence. All these qualities inform our religions, cultures, and governments. More than just a history of our understanding of God, this book is an attempt to get to the root of this humanizing impulse in order to develop a more universal spirituality. Whether you believe in one God, many gods, or no god at all, God A Human History will challenge the way you think about the divine and its role in our everyday lives. Praise for God “Timely, riveting, enlightening and necessary.”—HuffPost "Tantalizing . . . Driven by [Reza] Aslan’s grace and curiosity, God . . . helps us pan out from our troubled times, while asking us to consider a more expansive view of the divine in contemporary life.”—The Seattle Times “A fascinating exploration of the interaction of our humanity and God.”—Pittsburgh Post-Gazette “[Aslan’s] slim, yet ambitious book [is] the story of how humans have created God with a capital G, and it's thoroughly mind-blowing.”—Los Angeles Review of Books “Aslan is a born storyteller, and there is much to enjoy in this intelligent survey.”—San Francisco Chronicle

Zealot - Reza Aslan 2013-07-16
#1 NEW YORK TIMES BESTSELLER • “A lucid, intelligent page-turner” (Los Angeles Times) that challenges long-held assumptions about Jesus, from the host of Believer Two thousand years ago, an itinerant Jewish preacher walked across the Galilee, gathering followers to establish what he called the “Kingdom of God.” The revolutionary movement he launched was so threatening to the established order that he was executed as a state criminal. Within decades after his death, his followers would call him God. Sifting through centuries of mythmaking, Reza Aslan sheds new light on one of history’s most enigmatic figures by examining Jesus through the lens of the tumultuous era in which he lived. Balancing the Jesus of the Gospels against the historical sources, Aslan describes a man full of conviction and passion, yet ripe with contradiction. He explores the reasons the early Christian church preferred to promulgate an image of Jesus as a peaceful spiritual teacher rather than a politically conscious revolutionary. And he grapples with the riddle of how Jesus understood himself, the mystery that is at the heart of all subsequent claims about his divinity. Zealot yields a fresh perspective on one of the greatest stories ever told even as it affirms the radical and transformative nature of Jesus’ life and mission. Praise for Zealot “Riveting . . . Aslan synthesizes Scripture and scholarship to create an original account.”—The New Yorker “Fascinatingly and convincingly drawn . . . Aslan may come as close as one can to respecting those who revere Jesus as the peace-loving, turn-the-other-cheek, true son of God depicted in modern Christianity, even as he knocks down that image.”—The Seattle Times “[Aslan’s] literary talent is as essential to the effect of Zealot as are his scholarly and journalistic chops. . . . A vivid, persuasive portrait.”—Salon “This tough-minded, deeply political book does full justice to the real Jesus, and honors him in the process.”—San Francisco Chronicle “A special and revealing work, one that believer and skeptic alike will find surprising, engaging, and original.”—Jon Meacham, Pulitzer Prize-winning author of Thomas Jefferson: The Art of Power “Compulsively readable . . . This superb work is highly recommended.”—Publishers Weekly (starred review)

The Quest of the Historical Jesus - Albert Schweitzer 1910
The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers’ passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The God of Jesus - Stephen J. Patterson 1998-04-01
This book is the result of the author’s involvement with the Jesus Seminar. The premise is that the quest for the historical Jesus has always been closely related to the Christian search for God, and that this is both good and necessary, provided that one properly understands the relationship between history and theology and does not confuse the two. Patterson develops a theology that might properly be called a “Jesus Theology” and it is here that his contribution to the discussions of and about Jesus makes it a most distinctive contribution.

The Historical Jesus - James K. Beilby 2010-02-04
The Historical Jesus: Five Views provides a venue for readers to sit in on a virtual seminar on the historical Jesus. Beginning with a scene-setting historical introduction by the editors, prominent figures in the Jesus quest set forth their views and respond to their fellow scholars. For both the classroom and personal study, this is a book that fascinates, probes and engages.

Defining Jesus - Richard N. Soulen 2015-09-18

1
Defining Jesus is about the semantic content of the name Jesus. To what does the name refer, especially when modifying adjectives are attached, such as “the historical Jesus,” “the Jesus of history,” “the earthly Jesus,” “the biblical Jesus,” “the real Jesus?” Problems arise when commercial writers and scholars, without the necessary caveat, equate their hypothetical portrait of “the historical Jesus” with “the real Jesus”—none other than the Jesus of the first century “as he actually was.” To disabuse scholarship of this hubris, the author carefully delineates the diverse settings in which the name Jesus appears in the ongoing dialogue about Jesus of Nazareth. Its approach is apologetic: it defends the traditional language of Christian faith, arguing with Martin Kahler in the nineteenth century that the only Jesus Christians have ever known, or can know, is the Christ of faith.

Who Is Jesus? - Darrell L Bock 2012-09-04
IS JESUS WHO HE SAID HE WAS? Some say he was just a man; others claim he was the Son of God. Historian Darrell Bock tests the authenticity of Jesus’ claims against the rules of history to find out if he truly is the Christ of Faith. This reader-friendly book examines twelve events, sayings, and teachings of Jesus, using ten well-accepted historical rules. Pull up a chair, engage in the conversation, and discover how fascinating the discussion of the historical Jesus can be.

Jesus Against Christianity - Jack Nelson-Palmer 2010-07-15
This illuminating exploration of how and why Christianity became so radically disconnected from the Jesus of history provides suggestions for returning the true Jesus of Nazareth to the center of Christian faith. Jesus Outside the Testaments - Robert Van Voorst 2000-04-13
Presents evidence and information, aside from the Christian scriptures, on the life and teaching of Jesus Christ. Features excerpts in Roman correspondence and the early Christian writings known as the "New Testament Apocrypha.".

The Historical Jesus - Gary R. Habermas 1996
Rev. ed. of: Ancient evidence for the life of Jesus. Includes bibliographical references and index.

Constructing Jesus - Dale C. Allison 2010-11
An internationally renowned Jesus scholar rethinks our knowledge of the historical Jesus in light of recent progress in the scientific study of memory.

History of Christianity - Paul Johnson 2012-03-27
First published in 1976, Paul Johnson's exceptional study of Christianity has been loved and widely hailed for its intensive research, writing, and magnitude—a tour de force, one of the most ambitious surveys of the history of Christianity ever attempted and perhaps the most radical" (New York Review of Books). In a highly readable companion to books on faith and history, the scholar and author Johnson has illuminated the Christian world and its fascinating history in a way that no other has. Johnson takes off in the year AD 49 with his namesake the apostle Paul. Thus beginning an ambitious quest to paint the centuries since the founding of a little known "Jesus Sect." A History of Christianity explores to a great degree the evolution of the Western world. With an unbiased and overall optimistic tone, Johnson traces the fantastic scope of the consequent sects of Christianity and the people who followed them. Information drawn from extensive and varied sources from around the world makes this history as credible as it is reliable. Invaluable understanding of the framework of modern Christianity—and its trials and tribulations throughout history—has never before been contained in such a captivating work.

The Christ of Faith and the Jesus of History - David Friedrich Strauss 1977
The Historical Jesus and the Christ of Faith - George Demetrian 2017-01-11
The Historical Jesus and the Christ of Faith examines the conflicting views of Marcus Borg and N. T. Wright on the long-standing question of the relationship between the life and times of Jesus of Nazareth and the Christ of faith as depicted in the New Testament. Demetrian has created a study designed to supplement and expand on the discussion laid out in Borg's and Wright's widely read, The Meaning of Jesus: Two Views. While the author is more empathetic to Wright's emphasis on the continuities between the Jesus of history and the Christ of faith, as illuminated throughout the New Testament, he is critical of Wright's overemphasis on history. In placing his interpretive emphasis on the revelatory dynamic of the canonical Scripture and the Great Tradition of Christian orthodoxy, Demetrian calls for a fourth quest for the historical Jesus that starts from a position firmly rooted in biblical faith and works backwards in search of historical roots. In this, he draws on the Pauline vision of “God . . . reconciling the world to himself in Christ” (2 Cor 5:19) as his underlying hermeneutics. In exploring the broad range of issues that underpins the continuity/discontinuity question, Demetrian has provided a resource designed to span a wide audience, from Christian adult study groups interested in tackling books like The Meaning of Jesus to graduate level seminar students and professors.

Finding the Historical Christ - Paul Barnett 2009-04-10
Paul Barnett s title Finding the Historical Christ is a calculated jab against the popular dichotomy between the Jesus of history and the Christ of faith. In this book Barnett seeks to establish that the two figures are, in fact, one and the same. / The culmination of Barnett s After Jesus trilogy, Finding the Historical Christ carefully examines the ancient sources pertaining to Jesus, including writings by historians hostile to the Christian movement (Josephus, Tacitus, Pliny), the summarized biographies of Jesus in the book of Acts, and especially the four canonical Gospels. Based on compelling historical evidence, Barnett maintains that Jesus of Nazareth regarded himself as the promised Christ, and did his disciples before Jesus died and rose again. This is the only way to explain the phenomenon of the early church worshiping Jesus. / There is currently something of a revival of confidence in the historical value of the Gospels. Paul Barnett s work, notable for its sober use of historical method and its many fresh observations and proposals, is an excellent contribution to that development. Richard Bauckham / University of St. Andrews / Over his illustrious career, Paul Barnett has returned repeatedly to questions about the historical Jesus, the historicity of the Gospels, and the history of earliest Christianity. Drawing together scattered strands of all of that scholarship, he has elaborated a thought-provoking model of "non-historical myth." The historical Jesus and the Christ of Faith and the Jesus of History has never before been contained in such a captivating work. Johnson takes

Finding the Historical Christ

Jesus Christ

Josha Roy Porter 1999
Illuminating the life of Jesus—his historical context, his religious teachings, and the changing perceptions of him over the centuries—this lavishly illustrated volume offers one of the most comprehensive and authoritative accounts available of this great and charismatic man. Featuring some 180 illustrations (including 20 full-color maps) and numerous boxed and

Publisher description.

Jesus Christ - Joshua Roy Porter 1999
Illuminating the life of Jesus—his historical context, his religious teachings, and the changing perceptions of him over the centuries—this lavishly illustrated volume offers one of the most comprehensive and authoritative accounts available of this great and charismatic man. Featuring some 180 illustrations (including 20 full-color maps) and numerous boxed and
This ambitious book reveals and commemorates the significance of the pope to the rise of televangelists. Coming just in time for Jubilee 2000, the Salem Witch Trials, from the advent of a traveling Counter-Reformation, from the flight of pilgrims from Europe in pursuit of growth of monasteries to the bloody Crusades, from the building of the years after Jesus' death to the horrors of persecution by Nero, from the modern world. Moynahan's research uses little-known sources to tell a superbly written and generously illustrated book is of central importance moments without bogging down in minutia, author Brian Moynahan's his followers up to the present day, The Faith is a comprehensive study of the historical Jesus takes both scholarship and Christian faith--namely, Jesus as resurrected to the changing image of Jesus in art and illustration, to his perceived role as apocalyptic preacher, revolutionary, mystic, and prophet. A marvelous gift at Easter time or for a child's confirmation, this attractive, informative volume gives us an inspiring portrait of one of the most complex figures in world history.

A New Perspective on Jesus - James D. G. Dunn 2005-03

A renowned scholar calls for a change of direction for the study of Jesus in the 21st century.

Faith and History - Professor of History Christopher Gehrz 2020-12

Join over forty Christian historians as they journey through the biblical and historical past, reading God's word in light of the experiences of those made in God's image. Along with an invitation to study Scripture from Genesis through Revelation, Faith and History: A Devotional provides a link between modern Christians and faithful believers from the past--reminding us of all we share in our faith in the present day, as well as how different were the past worlds of our sisters and brothers in Christ. With Faith and History, you will read the Gospels in light of the Civil Rights Movement and the Holocaust and pray the psalms alongside Frederick Douglass and Isaac Watts. Learn more about well-known Christians such as Billy Graham, C. S. Lewis, Aimee Semple McPherson, John Perkins, and St. Patrick, and meet historical figures who are less known but no less significant, such as faith healer Kathryn Kuhlman, Anabaptist martyr Felix Manz, and medieval mystic Margery Kempe. Each scriptural passage pairs with a historical reflection, suggests questions for further consideration and discussion, recommends resources for historical study, and closes with a short prayer. This unique devotional integrates historical reflection with study and prayer to help Christians meet their ongoing need for spiritual formation. Faith and History is also intended to help Christians better understand their relationship to the past at a time when history, memory, and heritage are so hotly contested in American politics and society. -Kate Bowler, bestselling author of Everything Happens for a Reason and Other Lies I've Loved

The Story of Jesus in History and Faith - Lee Martin McDonald 2013-09-15

Many books are available on the historical Jesus, but few address issues that are critically central to Christian faith--namely, Jesus as resurrected Lord, Christ, and Son of God. This comprehensive introduction to the study of the historical Jesus takes both scholarship and Christian faith seriously. Leading New Testament scholar Lee Martin McDonald brings together two critically important dimensions of the story of Jesus: what we can know about him in his historical context and what we can responsibly claim about his significance for faith today. McDonald examines the most important aspects of the story of Jesus from his birth to his resurrection and introduces key issues and approaches in the study of the historical Jesus. He also considers faith issues, taking account of theological perspectives that secular historiography cannot address. The book incorporates excerpts from primary sources and includes a map and tables.

The Faith - Brian Moynahan 2007-12-18

Beginning with the birth of Jesus and tracing the religion established by his followers up to the present day, The Faith is a comprehensive exploration of the history of Christianity. Judiciously covering all the signal moments without bogging down in minutia, author Brian Moynahan's superbly written and generously illustrated book is of central importance to Christians, historians, and anyone interested in a faith that shaped the modern world. Moynahan's research uses little-known sources to tell a magnificent story encompassing everything from the early tremulous years after Jesus' death to the horrors of persecution by Nero, from the growth of monasteries to the bloody Crusades, from the building of the great cathedrals to the cataclysm of the Reformation and the Catholic Counter-Reformation, from the flight of pilgrims from Europe in pursuit of religious freedom to the Salem Witch Trials, from the advent of a traveling pope to the rise of televangelists. Coming just in time for Jubilee 2000, this ambitious book reveals and commemorates the significance of the Christian faith.

EVIDENCE FOR THE HISTORICAL JESUS - Gary R. Habermas

2020-11-28

The search for the historical Jesus is a hot topic in both popular and academic circles today and has drawn a lot of attention from national magazines, such as Time, Newsweek, and U.S. News & World Report. Further, the media has given an undue amount of attention to the Jesus Seminar's outlandish statements, a self-selected liberal group representing a tiny percentage of New Testament scholarship. Dr. Gary Habermas will address the questions surrounding the debate over the historical Jesus and show a significant number of historical facts about Jesus in secular and non-New Testament sources that prove that the Jesus of history is the same Jesus of the Christian faith. The author of EVIDENCE FOR THE HISTORICAL JESUS is Dr. Gary Habermas, author of the book, The Historical Jesus and about twenty other volumes. He received his Ph.D. from Michigan State University and is Professor of Apologetics and Christian Culture at the Liberty University. He has written more than 100 articles, mostly on the life of Jesus, which have appeared in scholarly journals and elsewhere. Herein you will learn why Jesus is one of the most historically verified lives of ancient times.

Jesus and John Wayne: How White Evangelicals Corrupted a Faith and Fractured a Nation - Kristin Kobes Du Mez

NEW YORK TIMES BESTSELLER The "paradigm-influencing" book (Christianity Today) that is fundamentally transforming our understanding of white evangelicalism in America. Jesus and John Wayne is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, "with a spiritual badass." As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today's evangelicals might not be theologically astute, but they know their VeggieTales, they've read John Eldredge's Wild at Heart, and they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs and values of millions. And now, with evangelicalism at its cultural height, the “moral majority” backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump in fact represented the fulfillment, rather than the betrayal, of white evangelicals' most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, Jesus and John Wayne shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans.

The Risen Lord - Margaret Barker 1996

This book offers a new understanding of resurrection, christology, atonement, and parousia. Margaret Barker shows how the original resurrection may in fact be Jesus mystical experience at his baptism when he was raised up and transformed into the divine son, how the resurrection proof texts in the New Testament may be ancient texts of the royal high priesthood, and how Jesus may have seen himself as the anointed high priest, the Messiah, come to offer himself as the atonement sacrifice of the last days.

Jesus of Nazareth, Christ of Faith - Peter Stuhlmacher 1993

Stuhlmacher" exegete and theologian, scholar and pastor" offers three outstanding essays on Jesus Christ, his death, and the Lord's Supper. Ever concerned with the relationship of history and theology and recognizing that the New Testament is concerned with both what happened in Jesus and what Jesus person and work mean, Stuhlmacher sketches the dynamic trajectory from the concrete to the confessional.

The Christ of Faith and the Jesus of History - Arthur Gabriel Hebert 1962

The Historical Jesus Question - Gregory W. Dawes 2001-01-01

A natural sequel to "The Historical Jesus Quest", this book provides commentary on the work and significance of the classic writers presented...
The Historical Jesus Quest - Gregory W. Dawes 2000-01-01

Virtually all the current debates about the historical Jesus have their roots in questions that have been pursued by biblical historians over the past two centuries. This anthology brings together seminal essays by those scholars who have been most influential in the rise and development of Jesus studies, enabling the reader to compare their differing points of view.

Jesus the Jew, Christ the King - James M. Nikolajczyk 2016-06-03

Jesus the Jew, Christ the King unites biblical scholarship with established theology. Oftentimes, scholars distinguish between the historical Jesus and the Christ of faith, suggesting that Christian belief has elevated Jesus of Nazareth from the common life of an itinerant Jewish rabbi to a divine figure akin to the heroes of Greco-Roman culture. James M. Nikolajczyk evaluates both the historical Jesus and the Christ of faith separately before uniting the concepts for academics and believers alike. The definition of Israel connects to this harmony, although many theologians apply it exclusively to the church or to the Jewish people. In keeping with Christian tradition, Mikołajczyk affirms Jesus as the only begotten Son of God and, moreover, the fulfillment of scriptural Israel.

Meeting Jesus Again for the First Time - Marcus J. Borg 2009-03-17

Of the many recent books on the historical Jesus, none has explored what the latest biblical scholarship means for personal faith. Now, in Meeting Jesus Again for the First Time, Marcus Borg addresses the yearnings of those who want a fully contemporary faith that welcomes rather than oppresses our critical intelligence and openness to the best of historical scholarship. Borg shows how a rigorous examination of historical findings can lead to a new faith in Christ, one that is critical and, at the same time, sustaining. “Believing in Jesus does not mean believing doctrines about him,” Borg writes. “Rather, it means to give one’s heart, one’s self at its deepest level, to . . . the living Lord.” Drawing on his own journey from a naive, unquestioning belief in Christ through collegiate skepticism to a mature and contemporary Christian faith, Borg illustrates how an understanding of the historical Jesus can actually lead to a more authentic Christian life—one not rooted in creeds or dogma, but in a life of spiritual challenge, compassion, and community. In straightforward, accessible prose, Borg looks at the major findings of modern Jesus scholarship from the perspective of faith, bringing alive the many levels of Jesus’ character: spirit person, teacher of alternative wisdom, social prophet, and movement founder. He also reexamines the major stories of the Old Testament vital to an authentic understanding of Jesus, showing how an enriched understanding of these stories can uncover new truths and new pathways to faith. For questioning believers, doubters, and reluctant unbelievers alike, Meeting Jesus Again for the First Time frees our understanding of Jesus’ life and message from popular misconceptions and outlines the way to a sound and contemporary faith: “For ultimately, Jesus is not simply a figure of the past, but a figure of the present. Meeting that Jesus—the living one who comes to us even now—will be like meeting Jesus again for the first time.”

The Historical Christ and the Theological Jesus - Dale C. Allison 2009-03-09

In this book, Dale Allison addresses ongoing historical-theological questions concerning Jesus Christ. What should one think of the modern quest for the historical Jesus when there is such enduring discord among the experts, and when personal agendas play such a large role in the reconstructions? How much history is in the Gospels, and how much history does Christian theology require that there be? How does the quest impinge on conventional Christian beliefs, and what might it contribute to contemporary theological reflection? --From publisher’s description.

Jesus, the Christ - Brennan R. Hill 2014-02-25

Chistology, that is, the study of Jesus, is a many-faceted subject. In this new edition of Jesus, the Christ, Brennan Hill clearly and cogently explores this critical theological area, resulting in a luminous and reliable portrait of the Jesus of history and the Christ of faith. He deftly surveys both the breadth of information covered in the previous edition as well as the wealth of developments that have occurred in the field since the early 1990s. Jesus, the Christ looks at the people and places in Jesus’ time, then moves to a search for the historical Jesus. Hill next looks at the many areas of Jesus’ life and mission: teacher, prophet, miracle worker, man of the earth, advocate for women, savior, and liberator. He examines the main gospel stories about Jesus’ birth, death, resurrection, and illustrates how the early christological doctrines developed. This new edition is written in a more informal and accessible style, enabling students to well understand and grasp the concepts and facts about the subject. Each chapter ends with discussion questions and a list of suggestions for further reading. Jesus, the Christ is eminently readable, constantly challenging, and filled with timely information in nontechnical language. It is strongly rooted in the best of modern biblical translation, and will be welcomed by students, teachers, and the general reader alike.

Jesus of History, Christ of Faith - Thomas Zanzig 1999

A textbook study of the life and teachings of Jesus Christ.

The Christ of Faith and the Jesus of History - David Morison Ross 1928
